

The Places of the Sanctuary

Only the priests were allowed to pass through the curtains into the Sanctuary. They had to make sure they were dressed properly and their clothes were washed and perfect, and then, just before entering, they had to wash their hands and feet. Only the High Priest was allowed in the Most Holy Place of the Sanctuary, and only at certain times.

Reverence

God still wants us to be reverent in His Church.

What can you do to show reverence in Church?
