

The Laver

The priests washed their hands and feet in the laver before going inside the Sanctuary.

In Psalm 51:2 NLT
David asked God to:

*Wash me clean from
my guilt. Purify me
from my sin.*

Baptism

People choose to be baptised to show they have a new clean life in Christ.

Can a mirror show you when your face is dirty? Yes / No

Can a mirror clean your face? Yes / No

The Bible is like a mirror because it shows you if you have sin inside you; but it can't remove your sins.

When we see we have sins what should we do?
