Watch something Hands on

There is an old saying:

*Tell me and I will forget.  
Show me and I will remember.  
Involve me and I will understand.*

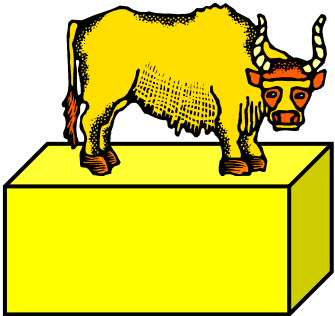

Some people learn well by just listening; but most people learn better when they can watch and see, and even better when they can practice doing something for themselves.

## Sunday

Moses went up the mountain to talk to God again.

Weeks passed, and still Moses stayed with God; the people were worried he would never come back so they said to Aaron, "We don't know what has happened to Moses. Make us a god who can lead us, like the god's from Egypt."

It had been five and a half weeks since Moses left, so Aaron told the people to bring gold jewellery; then he melted the gold down, and made a calf statue. The people were excited, so Aaron built an altar in front of the calf and announced, "Tomorrow we will have a feast!"

The next morning the people got up early and spent the day feasting and drinking.

Up on the mountain, God said to Moses, "Go down the mountain; the people have turned away from me already! They have made an idol like a calf and are worshipping it!"

So Moses went down the mountain, carrying two stone tablets that God had written the commandments on.

When Moses saw the calf and the dancing, he was angry; he threw the stone tablets to the ground, smashing them at the foot of the mountain. Then he took the golden calf and burned it; then he ground it into powder and threw it into the water, and made the people drink it.

The next day Moses said to the people, "You have committed a terrible sin, but I will go back up to the Lord on the mountain and ask for forgiveness."

## Friday

Anything can become an idol if it is more important to you than God. How do you know if something is in danger of becoming an idol?

Write one or two answers to the following questions.

1. What do you like to spend the majority of your free time doing?  
\_\_\_\_\_
2. What do you like to spend the majority of your spare money on?  
\_\_\_\_\_
3. What would you miss the most if you didn't have it anymore?  
\_\_\_\_\_

Was your answer the same for all the questions?

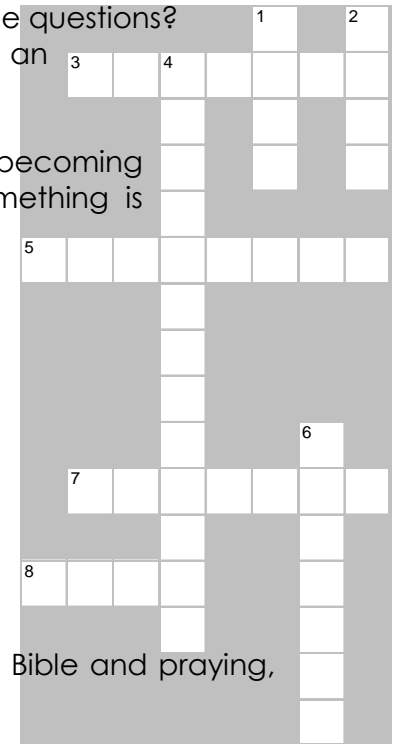

If so, then it sounds like it might be an idol for you.

How do you stop something from becoming an idol? What do you do if something is becoming an idol?

Matthew 6:33<sup>NIV</sup> "But \_\_\_\_\_ (2d) first  
His \_\_\_\_\_ (7a) and His  
\_\_\_\_\_ (4d)..."

"If we \_\_\_\_\_ (6d) our \_\_\_\_\_ (1d),  
He is \_\_\_\_\_ (5a) and just and  
will \_\_\_\_\_ (3a) US OUR \_\_\_\_\_ (8a)  
and purify us from all  
unrighteousness." 1 John 1:9<sup>NIV</sup>

When you spend time reading the Bible and praying,  
your relationship with God grows.

## Thursday

You might not even think of worshipping a statue, but there are many things that can become more important to us than God and can become idols to us.

Find these things which might become idols.

Ask yourself:

Do you own anything you couldn't live without?

Possessions, jewellery, animals, statues, people, habits, charms, games, stars, sport, books, heroes, shows

Maybe it is an idol for you.

Is anything more important to you than going to church?

Maybe it is an idol for you.

Is anything more important to you than keeping the Sabbath?

Maybe it is an idol for you.

If someone you love told you to break one of the Commandments would you do it?

Maybe they are an idol to you.

## Monday

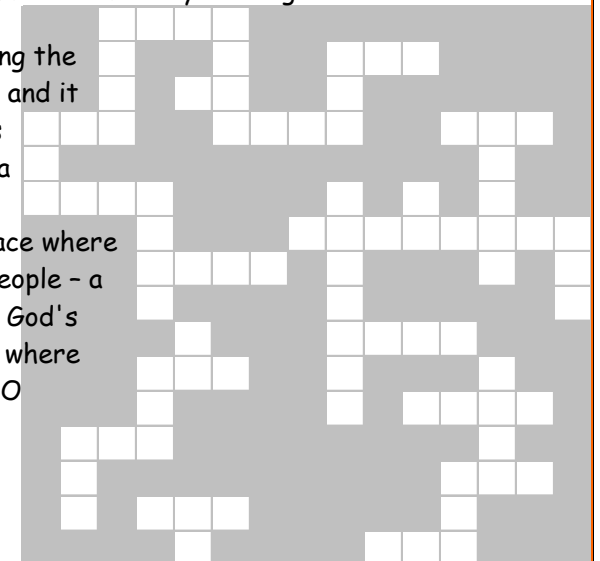

God knew that the Israelites needed something they could see and do in their worship, but His plan never involved idols! - They could see the pillar of cloud and fire, which shaded the camp by day, provided light at night and led them whenever they travelled from place to place and now He was planning something else for them but they were too impatient to wait!

God's plans never involve idols; God knows that when people pray in front of something, whether it is a picture, a statue, an object or an animal; that even if people start out praying to God, they will eventually forget they are praying to God and what they pray in front of will become an idol.

Fit the underlined words of the 1<sup>st</sup> and 2<sup>nd</sup> Commandments from Exodus 20:3-5<sub>NLT</sub> into the grid.

1. "You must not have any other god but Me."
2. "You must not make for yourself an idol of any kind or an image of anything in the heavens or on the earth or in the sea. You must not bow down to them or worship them, for I, the Lord your God, am a jealous God who will not tolerate your affection for any other gods."

God had a plan for something the Israelites could see and do and it did not involve idols. God's plan was for them to build a Sanctuary or Tabernacle - the first Church ever; a place where God would live among the people - a place where they could see God's presence. And also a place where they could participate or DO something in their worship.

## Tuesday

What did the people make for an idol? They wanted a god that they could see, like the gods from Egypt.

The people had forgotten the second Commandment.

## Wednesday

God started the practice of offering sacrifices to teach Adam and Eve and their children about death and sin, and to remind them that one day Jesus would come and die for their sins. When Jesus died on the cross, an angel tore the curtain in the Sanctuary from top to bottom to show that the animal sacrifices were no longer necessary; Jesus had died and taken the punishment for sin once and for all. Yet participating or seeing and doing as a part of worship is still important today.

Where do we go participate in worship today? The answer is scrambled up for you:

CCHHRU

Jesus was in the habit of going to the \_ \_ \_ \_ \_ (their church) on the \_ \_ \_ \_ \_ day. Luke 4:16

Hebrews 10:25<sup>NLT/NIV</sup> says that we must not stop m \_ \_ \_ \_ \_ t \_ \_ \_ \_ \_.

Going to Sabbath school and church provides many opportunities for listening, seeing and doing something as a part of worship.

Here are some things that people listen to in Church. Unscramble them: EMNORS, AEPRSY, EIMST, EIORSST.

Here are some things people might look at: EINOOPRSTW, EIMOSV, CEIPRSTU.

Here are some things people might take part in doing in Church: GGIINNS, EFFGINOR, looking up the BBEIL, taking sermon ENOST.

What are some things you look at during Sabbath School?

What are some things you take part in doing in Sabbath School?
