

The Altar of Incense

The fire from the altar was to burn day and night, the Priest burnt incense on the altar every morning and every evening and the blood of the sin offering was smeared on its horns.

Our Prayers Rise to God

Like the smoke that was to rise, day and night, from both the fire and the incense, so our prayers should rise to God, mixed with the righteousness of Christ.

In Psalm 141:2_{NLT} David said,

*"Accept my _____ as
_____ offered to You."*
