Aim: People should see that we are different – we should shine for Jesus.

1. *What do I already know?* ☐ Listen / Talk ☑ See ☑ Do

   Borrow some Where's Wally or Seeking Sammy books – let groups of children search them. Talk about why it is hard to find and what would make it easier.

2. *Tell story / give facts.* ☐ Listen / Talk ☑ See ☐ Do

   Tell story with felts or with salt, candle and basket.

3. *Review / how does it apply today?*   ☑ Listen / Talk ☐ See ☑ Do

   Jesus told people He wanted them to be kind, loving and happy. Show pictures of children being kind, obeying and sharing. Ask what are they doing that Jesus would like?

   This term each child will make a special box and collect cards to keep in it. Older children can decoupage their boxes, younger children can use stickers.

   Inside of lid: Lantern with glow-in-the-dark sticker and basket.

4. *What can this become / what can we do?* ☐ Listen / Talk ☐ See ☑ Do

   Bring some toys and have younger children practice sharing and obeying.
