

When someone upsets me
And I don't forgive,
The upset will grow and
In anger I'll live.

The anger will grow into
Hate 'till I'm mad!
And I will be left with
A feeling that's bad.

But if I ask Jesus
To help me forgive.
He'll take the bad feelings
So that I can live.

He'll fill me with love and
With peace and with joy.
You'll see me once more a
Happy girl or boy.

When someone upsets me
And I don't forgive,
The upset will grow and
In anger I'll live.

The anger will grow into
Hate 'till I'm mad!
And I will be left with
A feeling that's bad.
