☐ Listen / Talk ☐ See ☒ Do

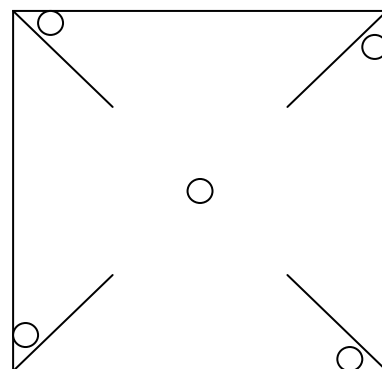

Craft: Fold top of card down at the dotted line. With the top folded down, stick orange spots above the disciple heads.

4. *What can this become / what can we do?* ☐ Listen / Talk ☐ See ☒ Do

Make windmills. Cut coloured paper to a square, cut the diagonals in approx 2/3 of the way to the centre. Punch a hole in the centre, and in the corners as shown. Use glue or tape to attach each of the punched corners into the centre, being careful

not to block the holes. Put a large paper fastener through the hole. Hold it with a pair of needle-nose pliers and bend back the ends of the legs so when you remove the pliers the fastener is very loose in the holes. Bend the remainder of the fasteners legs around a skewer and attach with sticky tape.

Tape some streamers onto the skewer.
