Year 3 Quarter 3 Week 7

Summary: Ananias and Sapphira decide and promise to give money from the sale of a property to the church. They change their minds and lie about it then fall down dead.

Read Before: Acts 4:34-5:11, Acts of the Apostles 70-76, Bible Story V10 p26-30.

Aim: The Holy Spirit will help me know what the right thing to do is.

1. *What do I already know?* ☒ Listen / Talk ☒ See ☒ Do

Experiment: A compass help show the right way. I glued magnets from a magnetic checkers set onto the end of pencils. Gluing half one way and half the other. On the pencils that attracted the red end of the compass I glued bad things like stealing, lying, hitting etc. and on the pencils that attracted the white end I glued good things like telling the truth, helping, obeying etc.

Say: A compass helps us know the right way to go. This compass is going to show us the right things to do. Ask is stealing a good thing to do? Hold the pencil (magnet towards compass) close to the compass and the red end will swing towards the pencil...

Ask: How do you tell if something is the right or wrong thing to do.

Lead the discussion: to feelings of guilt or assurance/peace etc.

Say: This is the Holy Spirit talking to you. Today we are going to learn about someone who didn't listen to the Holy Spirit.
