

Did you know that everything you do is recorded in Heaven? Every good thing and every bad thing - nothing is secret. When you are mean to someone, take something that isn't yours, or tell a little lie - it is all written down. Because you sin (all humans sin) you cannot live forever.

But there is a way you can! If you ask God to forgive your sins, Jesus died in your place and He will take your sins away and the page that showed your sins will be clean again.

Every person will be judged. But when a Christian is judged, Jesus stands in their place. Jesus says "Yes _____ sinned, but I am taking their place. I have died on the cross for their sins, so they can have eternal life."

Nothing is a secret from God. Use the memory cards from the other week along with these secret cards. Shuffle the cards together and deal 5 to each player; put the others face down in a pile. Taking turns, show another player one of your cards and ask if they have it. If they do, put both cards down in front of you, if not, you must pick up. You may use the secret cards to see other players cards: they may only be used once.
