

Singing in Prison

Paul and Silas spent the night in prison, praying and singing hymns to God; suddenly there was a massive earthquake. The doors off the prison flew open, and the chains fell off the prisoners! As a result, the jailer believed in Jesus.

Searching the Scriptures

The Bereans searched the Bible every day to see if what Paul was preaching was true. We learn about God by studying the Bible and looking at the things that God has created. Romans 1:20 says, "Through everything God made, they can clearly see His invisible qualities - His eternal power and divine nature."
