

For the Parents:

Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found.

2 Kings 5:1-19

My Bible Friends Book 5

The Bible Story Vol 5, p. 79-85

Prophets & Kings p. 244-249

As you go to different places, remind your child that God is always with them.

Help your child to share Jesus, when they obey, sing Sabbath songs and share toys etc.

The first three years are the most critical time in teaching your child about God. This is the time when the brain is rapidly developing and habits formed now will last a lifetime.

May God bless you as you teach your little ones about Him.

Little Maid

Sabbath

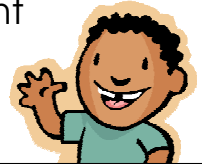

Have you ever been away from Mum and Dad?

☐

During the day

☐

At night

Draw a picture of it.

**I am with you...
wherever you go.
Genesis 28:15**

RSV

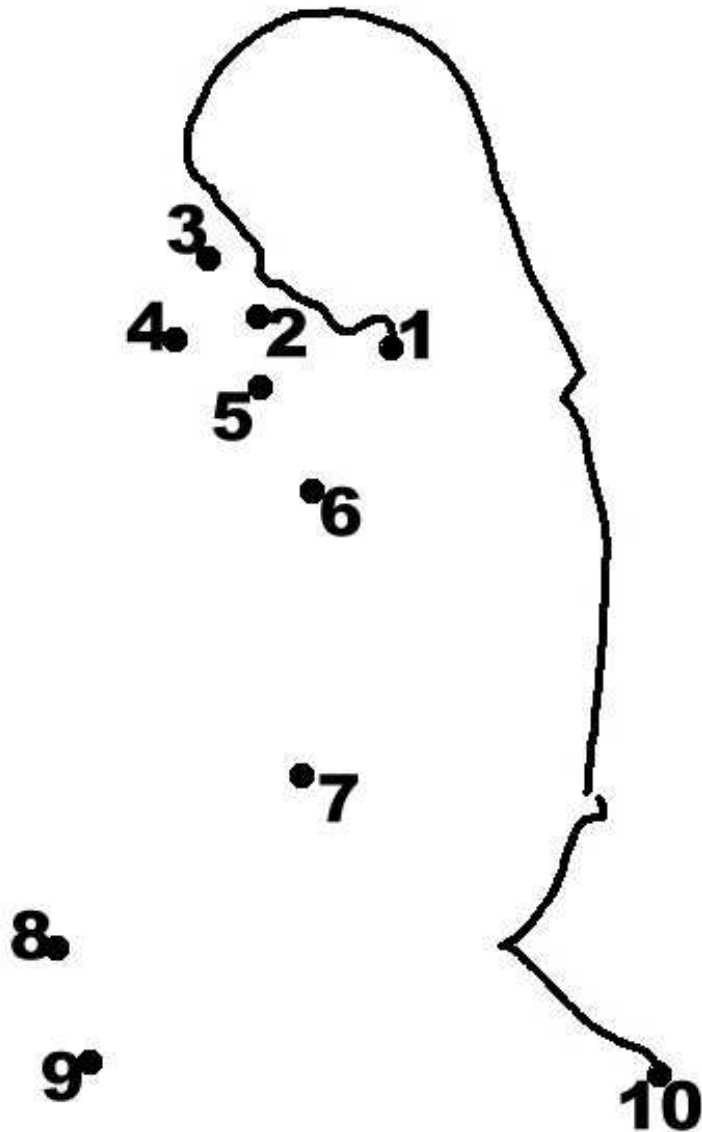

Friday

We can be like Little Maid and tell others about Jesus. When we obey our parents, share our toys and have gentle hands, we are showing other people that we love Jesus. When we read Bible stories and pray to Jesus, we are also showing that we love Jesus and that we want to have Jesus as our very best friend. People watching us will know we love Jesus and they may decide that they want Jesus as t'...

Thursday

We show Jesus that we love Him by talking to Him every day.

Sunday

Little Maid had been taken from her home to live in country far away. She missed her mummy and daddy; but she knew that God was with her. She didn't pray to the ugly stone idols that Captain Naaman and his wife prayed to; everyday she would pray to the God in heaven.

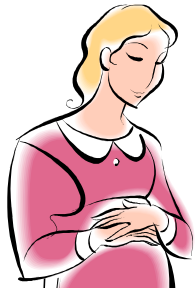

Little Maid would helped Mrs Naaman in the house every day. One day she noticed that Mrs Naaman was very sad. Little Maid asked her "Why are you sad?" Mrs Naaman said that Captain Naaman had a very bad sickness called leprosy and the doctors could not make him well. Little maid thought about this as she worked around the house, and she prayed and asked God to tell her what she should do.

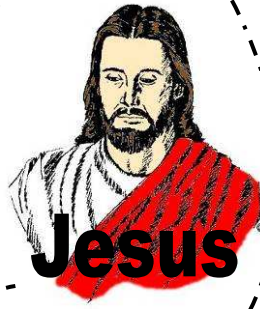

God wants us to remember to pray to Him each day just like little maid did.

Monday

Who was with Little Maid?

Mummy

Jesus

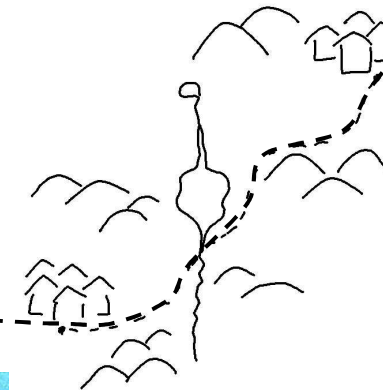

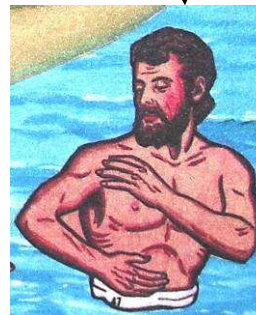

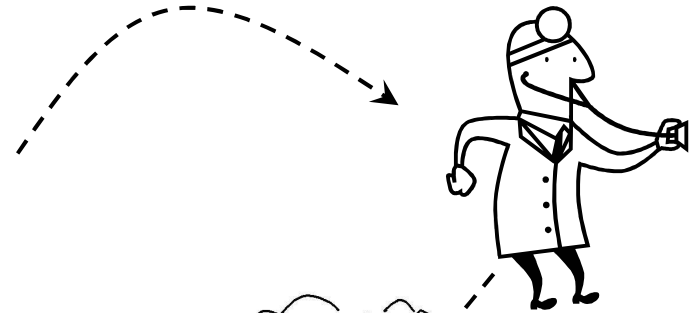

Daddy

Grandma & Grandpa

Wednesday

Tell the story as you join the pictures.

Tuesday

Now Captain Naaman was sure that there really was a God in heaven, just as Little Maid had been telling him. Captain Naaman told God thankyou for healing him and also said thankyou to Prophet Elisha.

Now it was time for Captain Naaman to go home and tell his wife and Little Maid he was all better. Captain Naaman decided that he would no longer worship the stone gods who could not hear; each day he would pray to the true God in heaven just like Little Maid did.

When we pray to God and read our Bibles each day it shows Jesus that we love Him.

Tuesday

God want's you to pray and talk to Him every day.

Wednesday

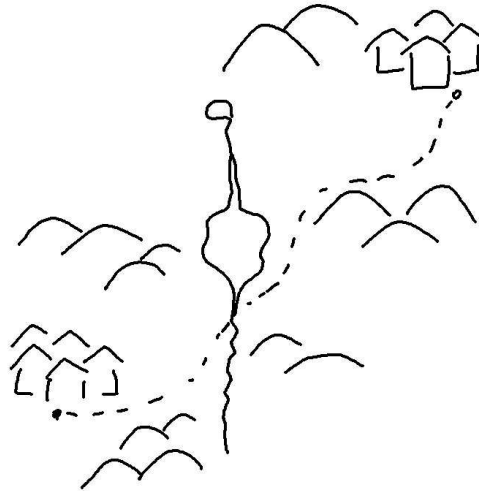

God reminded Little Maid about Prophet Elisha and the wonderful things he had done, so Little Maid told Mrs Naaman that Prophet Elisha lived in Israel and would be able to make Captain Naaman well again.

So Captain Naaman decided to go and see Prophet Elisha.

When Captain Naaman got to the prophets home, the prophet sent a man out to tell him "Go and wash in the Jordan River seven times and you will be made well."

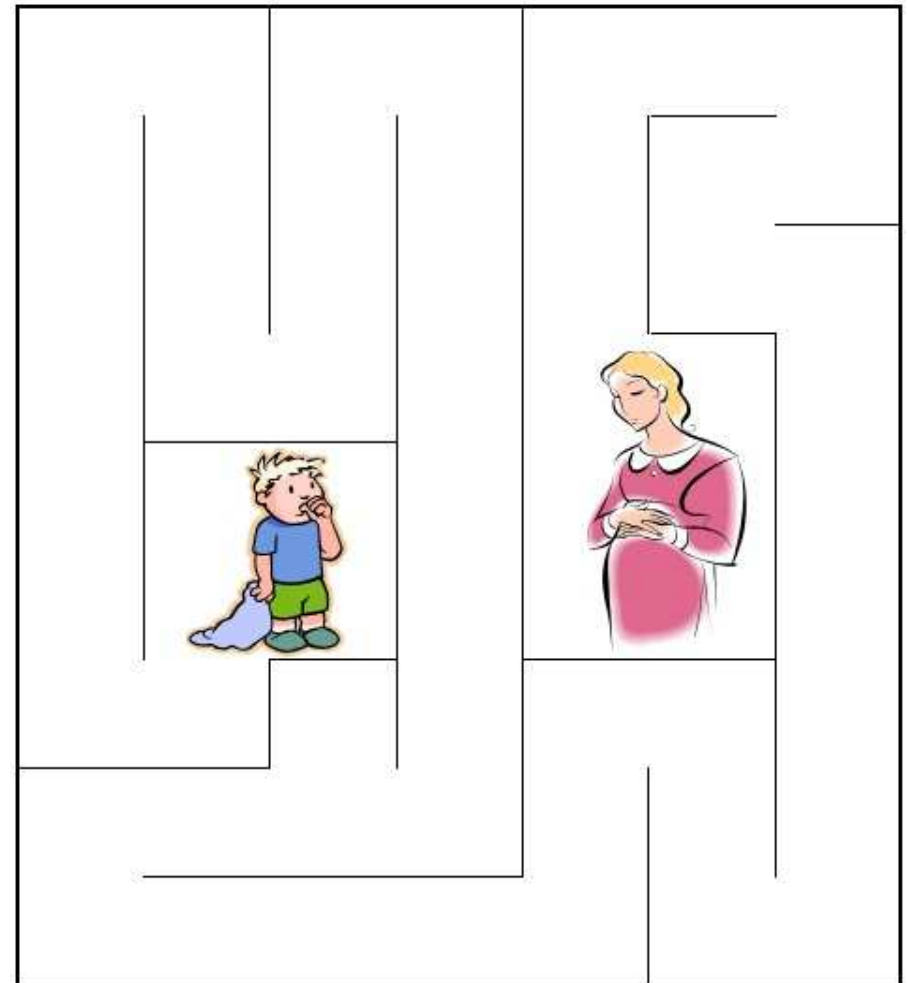

Captain Naaman was very angry; he said "Why should I wash in that dirty river when there are much nicer rivers at home?" He started to drive home again; he did not want to listen to what God was telling him.

God wants us to listen to Him all the time.

Monday

What do you do when Mummy or Daddy calls "Come here"? Draw a line from this boy to his mother.

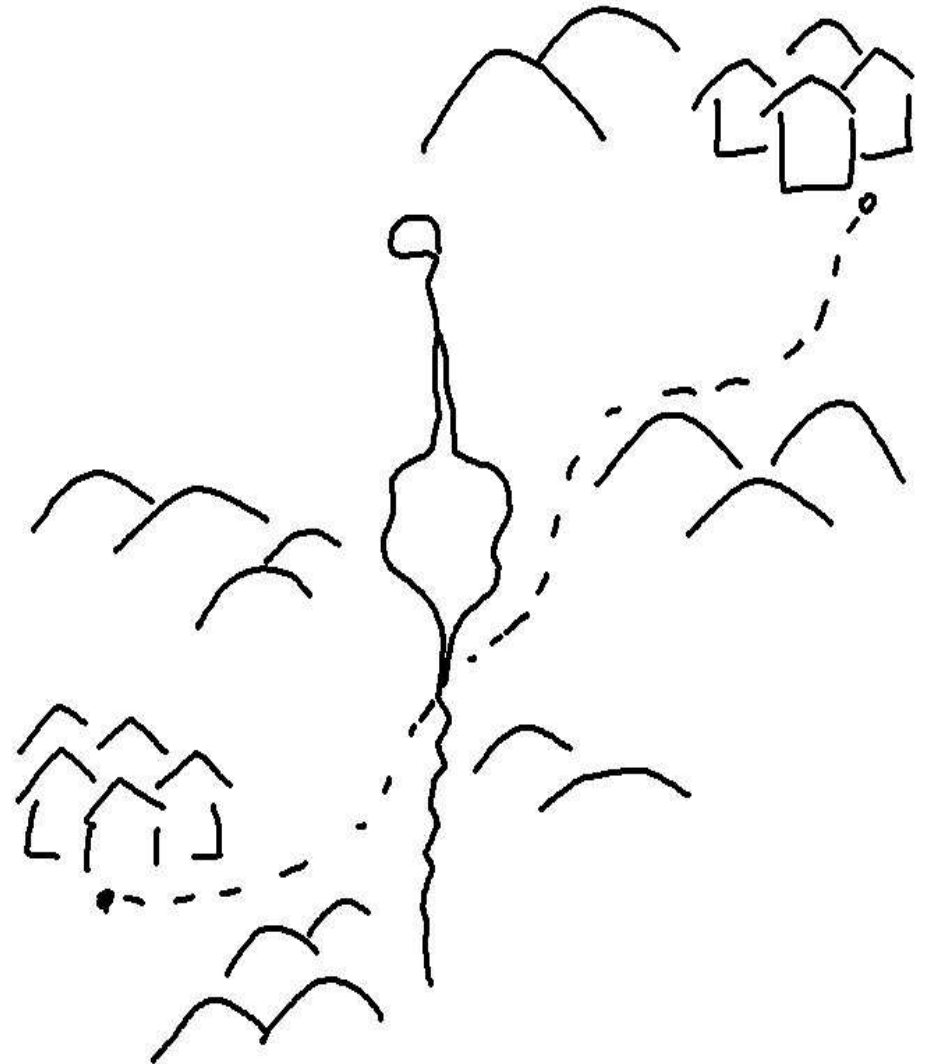

Sunday

Captain Naaman obeyed the prophet and washed himself in the river.

Thursday

Captain Naaman travelled from his home to see the prophet.

Friday

God wants us to listen to Mummy & Daddy. Do you pick up your toys when Mummy tells you to?

Sabbath

The men who were with Captain Naaman said to him, "Washing in the river is such an easy thing; you should do it."

So Captain Naaman turned his chariot around and headed to the Jordan River. When he got there he took off his clothes and waded out into the muddy water. As he dipped under the water the men on the bank counted, "One, two, three, four, five, six..." and each time he came up, the spots were still there. Finally he dipped for the seventh time, and when he came up his spots were all gone! He was all better! How happy he was; he hurried back to his chariot and raced back to say thank you to Prophet Elisha.

God is happy when we obey just like Naaman did.
