

### For the Parents:

Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found.

Luke 8:22-25; Mark 4:35-41.

My Bible Friends Book 3

The Bible Story Vol 7, p. 184-188.

Desire of Ages p. 333-336

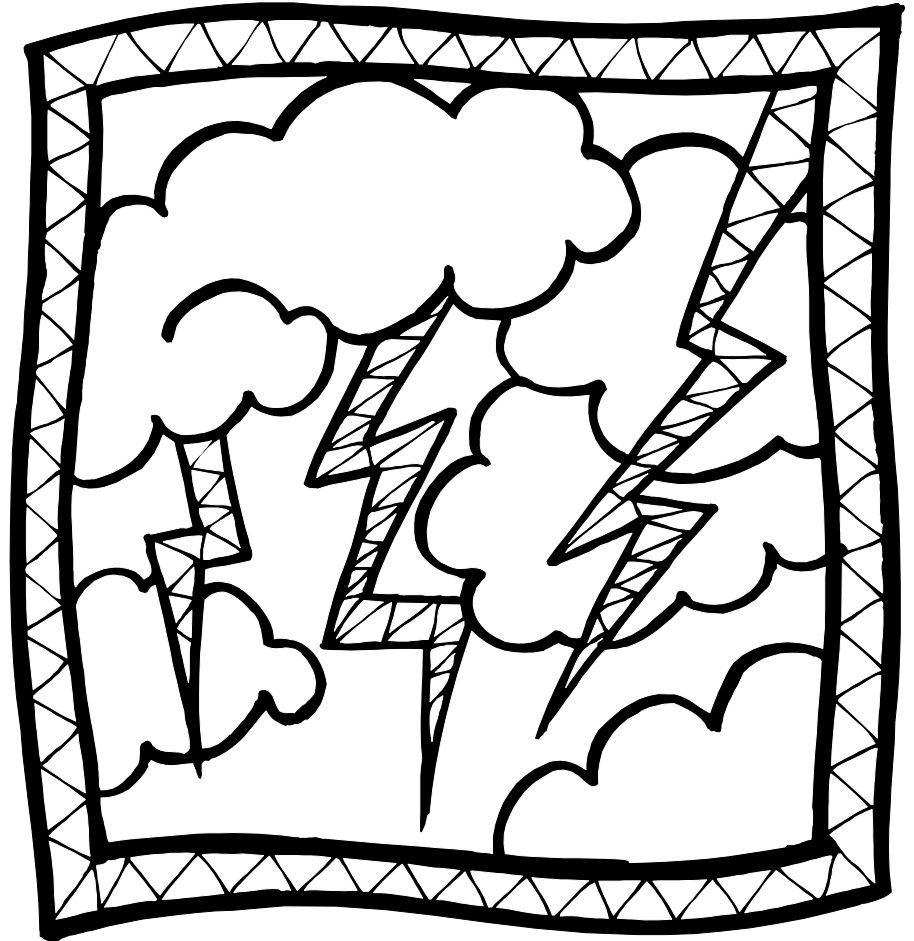

Emphasize to your child this week that we do not need to be afraid; that Jesus will take care of us. During the storm Jesus knew that God was taking care of Him and that was why He was not afraid. God will take care of us in the storm, in the dark or whatever else you child may be afraid. Tell and show that when you are scared all you need to do is pray to Jesus and He will help you.

May God bless you as you teach your little ones about Him.

# Jesus and the Storm

## Sabbath

Have you ever been in a bad storm?

**He shall give  
His angels  
charge over you.  
Psalms 91:11**

**NKJV**

### Friday

We don't need to be afraid when it is stormy or dark. Jesus is with us. He is also with us when we are sick and have to go to see the doctor or go to the hospital. We don't need to be afraid; we just need to remember that Jesus is with us and when we are scared all we have to do is pray and tell Jesus "I'm scared," and He will help us not to feel so scared anymore.

### Thursday

The people were amazed that the wind and the water obeyed Jesus. Here are some things that Jesus can command.

### Sunday

Jesus had been busy teaching the people all day, now it was getting dark and He was very tired.

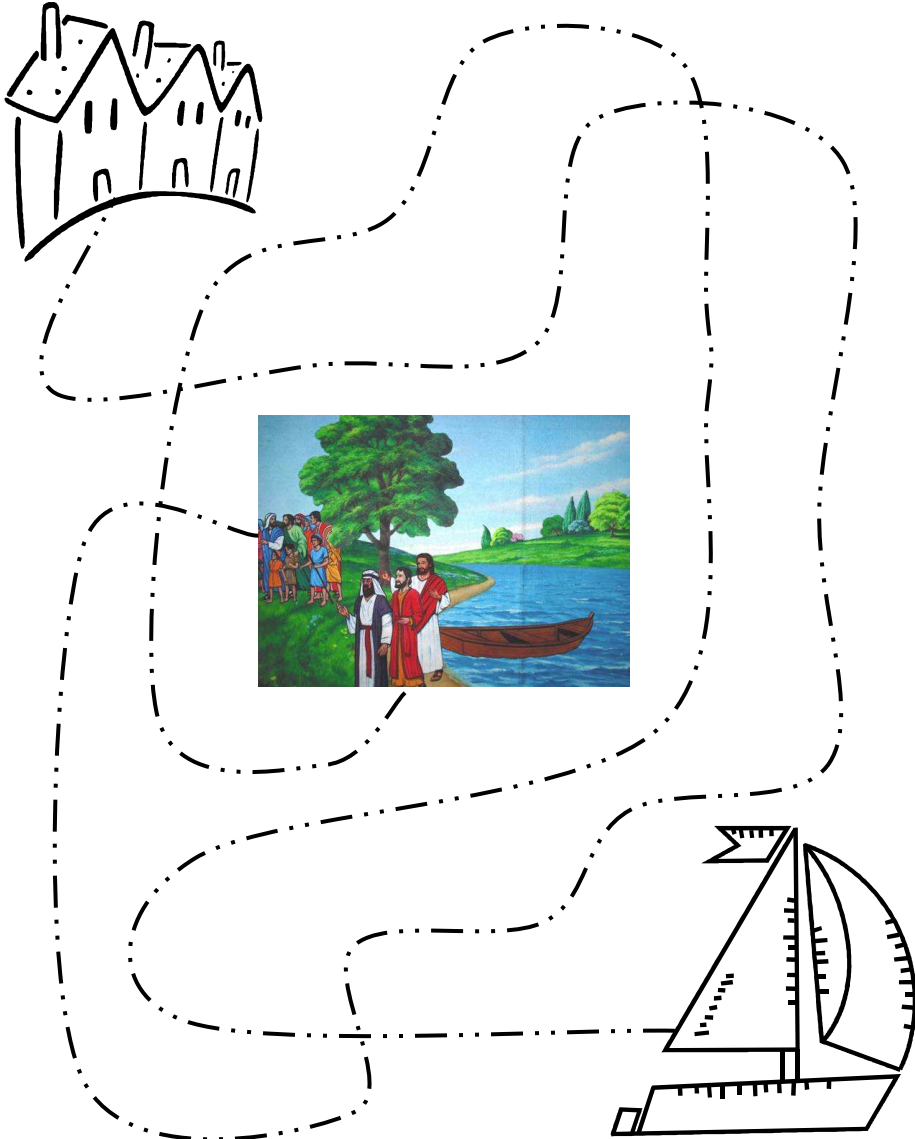

The disciples helped Him to send most of the people back to their homes, and then Jesus and His disciples climbed into their boat and set sail across the lake. The people who had stayed also climbed into their boats to sail across the lake.

The moon shone on the nice calm water and a gentle breeze billowed in the sails. Jesus was so tired that He lay down in back of the boat with a cushion under His head and soon He was fast asleep.

Jesus knew that God His Father would take care of Him, and God will take of us today too.

## Monday

Jesus and His disciples sent the people home and then they climbed in their boat to sail back. Follow the lines to see where everyone is going.

## Wednesday

Jesus held up His hand and said, "Peace, be still."

## Tuesday

Jesus held up His hand and said, "Peace, be still."

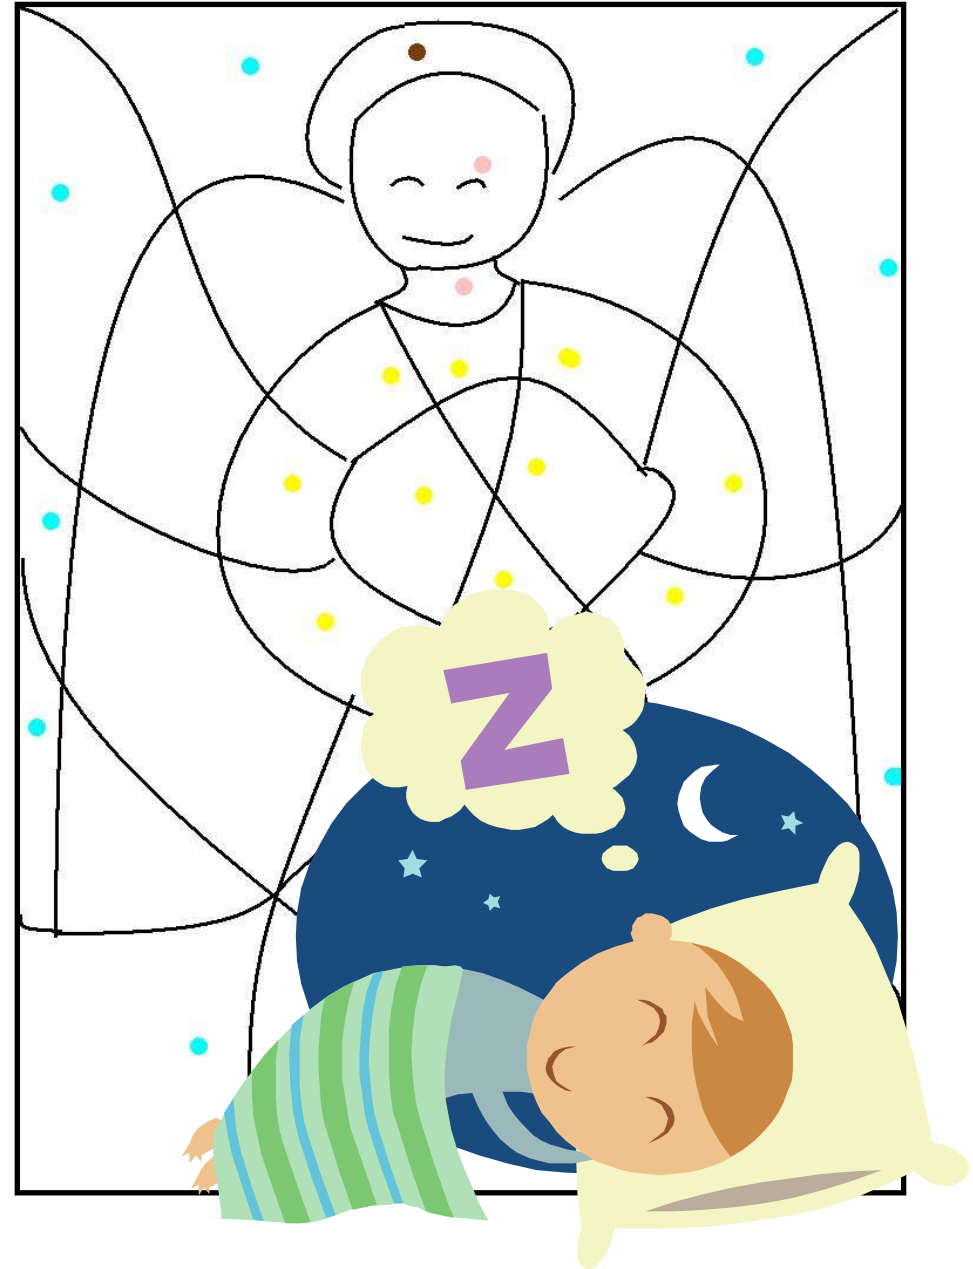

Just like that, the wind stopped howling, the thunder stopped roaring, and waves became gentle again. The big black clouds rolled away and the moon and stars could be seen again. The disciples weren't afraid any more.

The storm had driven all the boats near each other and everyone had heard Jesus tell the winds and the waves to be still. Everyone was amazed that the winds and the water obeyed Jesus. As they bailed out the rest of the water in the boat they were saying to themselves. "What sort of person is Jesus when even the winds and water obey Him?"

## Tuesday

Jesus knew that God would look after Him while He slept. Does God look after you?

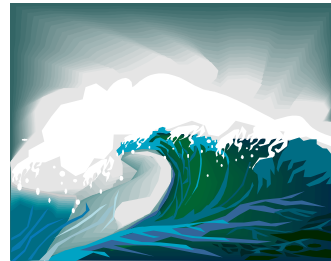

### Wednesday

All of a sudden strong winds came rushing down the hills and across the lake, and big black clouds hid the

moon and stars. There was thunder, lightening and rain, and the waves got bigger and bigger and started crashing

over the side of the boat. The boat started to fill with water.

Frantically the disciples worked to try and steer the boat; they rowed with the oars and bailed out

the water, but nothing they did was any good. This storm was the worst storm the disciples had ever seen. They were

very scared; they thought the boat was going to sink to the bottom of the lake.

They had forgotten that Jesus was riding in their boat with them.

Sometimes when things happen to us we forget that Jesus is close beside us and that He will take care of us.

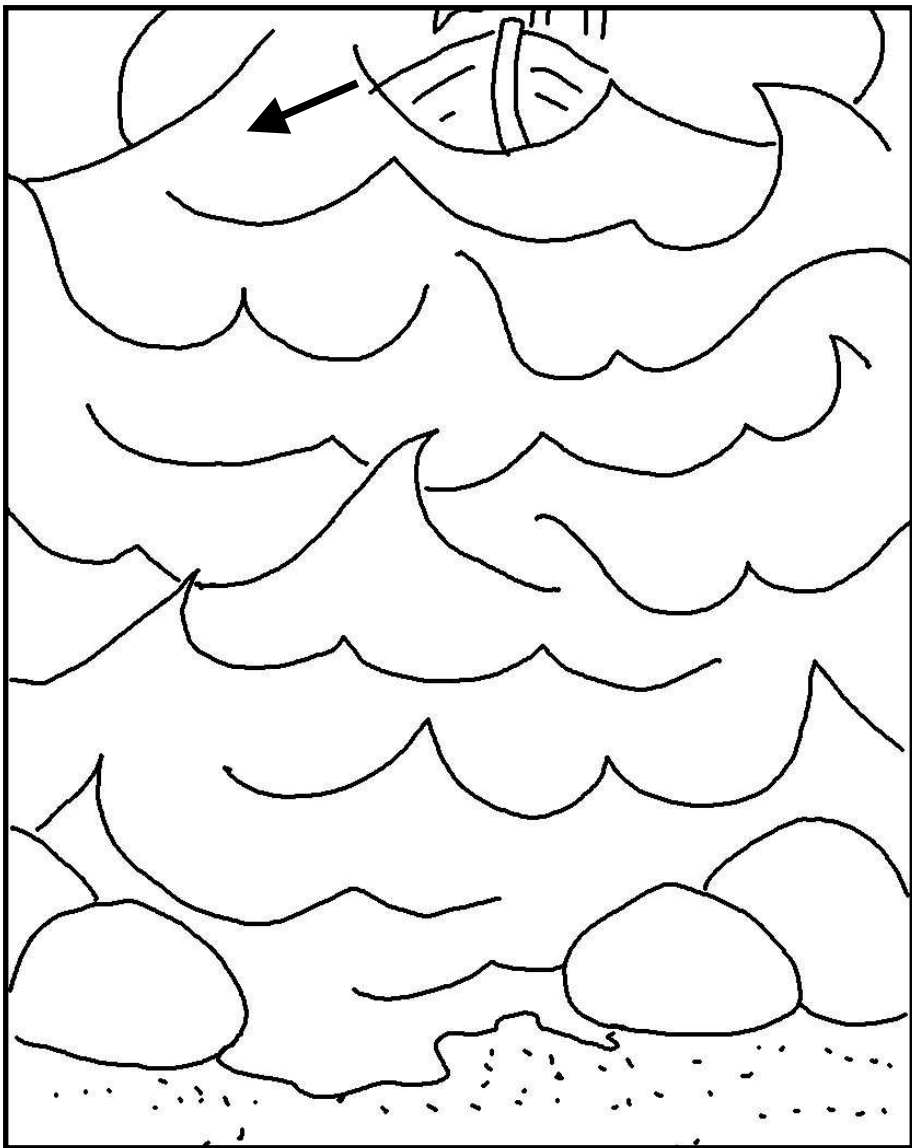

### Monday

Jesus has promised to send His angels to look after us.

### Sunday

Jesus knew that God was looking after Him in the storm. Find a way through the storm to the beach.

### Thursday

Why were the disciples scared?

### Friday

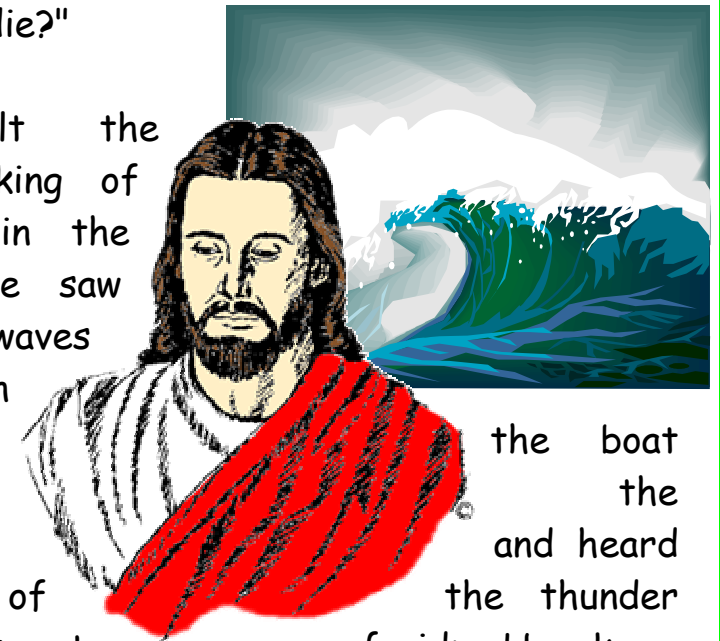

Sometimes we forget that Jesus is with us and that He will take care of us.

### Sabbath

The people in the other boats were just as scared as the disciples during the storm. Suddenly a flash of lightening showed the disciples that Jesus was still fast asleep in the back of the boat. The nearest disciple leaned over and woke up Him up. The disciples cried out, "Don't you care that we are all going to die?"

Jesus felt the violent rocking of the boat in the waves. He saw that the waves were much taller than the boat was. He saw the lightening, the crash of the thunder, but He was not afraid; He knew that God the Father was with Him.

We don't need to be afraid in the storm, because even though we can't see them, Jesus sends His angels to be with us.
