Lesson Aim:

Week one: concentrate on the second coming of Jesus; show that it will be loud and bright and highly visible to every person living on this earth.

Week two and three: show them that heaven is a real and very beautiful place where we can spend time with Jesus face to face. The animals won't hurt us; there will be no more sickness, pain, sorrow and death. Each week briefly review what they learnt the week before then add more to what you told them the week before.
