This week teach your little one that we need to make preparation for Jesus soon return now so that we can go to heaven with Him. Describe to them the glories of heaven and that there will be no sickness, hurt or death there but that we will live with Jesus.

May God bless you as you teach your little ones about Him.

Heaven

Sabbath

Do you have anyone you don't get to see very often?

"I will come again."

John 14:3 KJV

Friday

If we want to go to Heaven we need Jesus to be our best friend now. We can do this by learning about Jesus and what He wants us to do, and talking to Him.

Thursday

Soon, we don't know exactly when, Jesus will come back again in the clouds with all the angels from heaven. When He comes it will be very loud and very bright and every one will see and hear Him coming. Then He will take all the people who loved Jesus as their best friend, back to heaven to live with Him in a perfect world where there will be no more sin, sickness or death, ever again.

I want to go to heaven to live with Jesus, and I hope that you want to go to live with Him too. We need to have Jesus as our best friend now if we want to go live in heaven with Him.

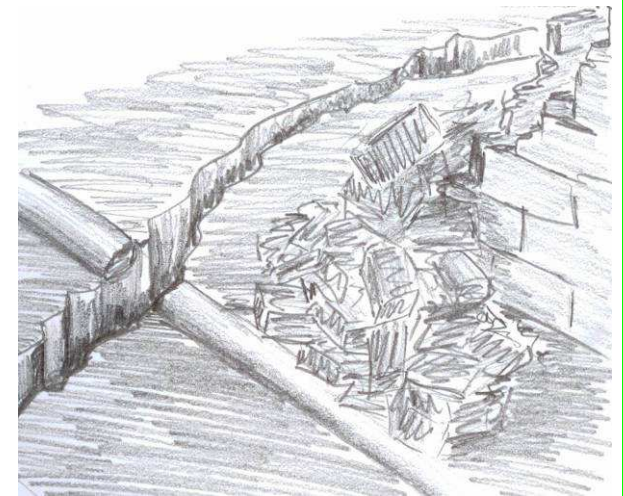

Sunday

Before Jesus went back to heaven He told us that He wants us to live like He did. To be kind and gentle, to share, and especially to tell other people about Jesus and what He has done for us.

He also said that just before He comes back there will be lots of earthquakes and fires and droughts, and that bad people would hurt people; but that we can trust Jesus to look after us.

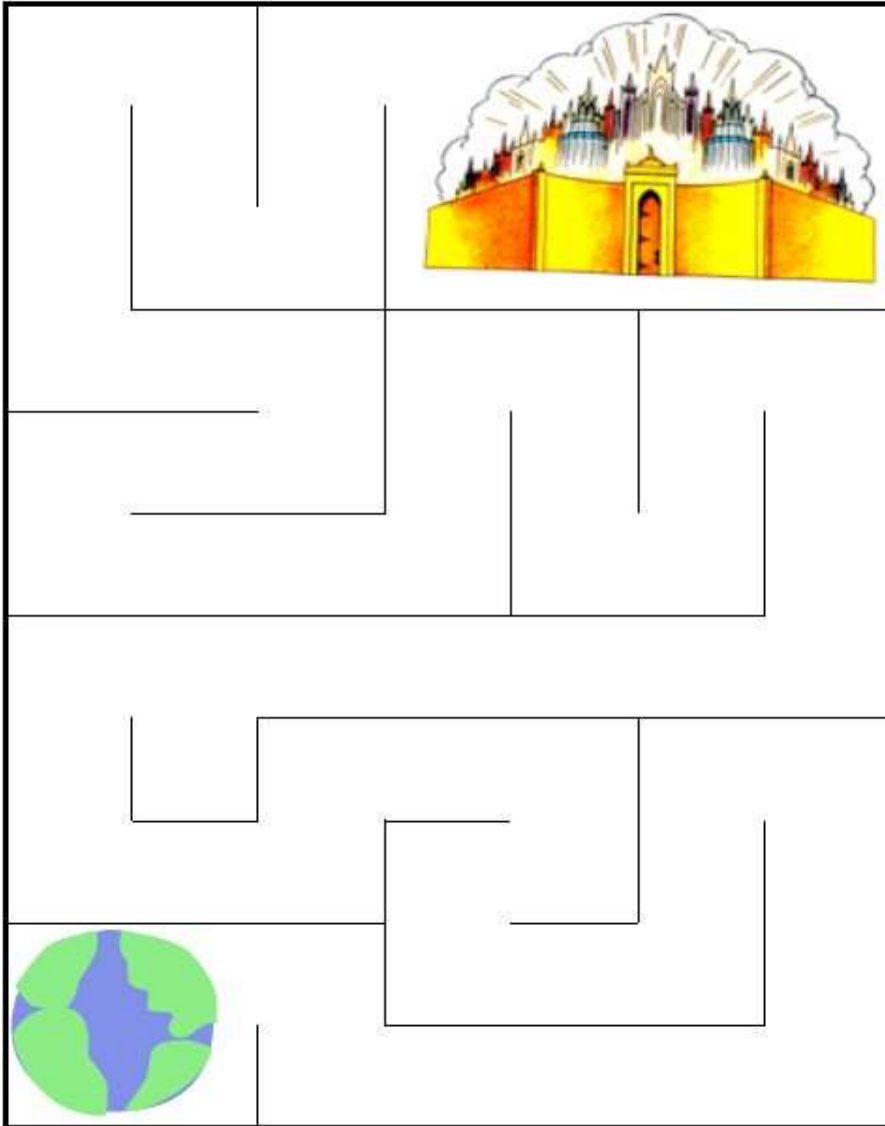

Then one day or night (we don't know exactly when) a little black cloud will appear in the sky. People who haven't been trusting God will be very scared and will try and hide under the rocks, but those who have Jesus as their best friend will not be scared.

Instead they will be very happy to see Jesus come back again.

Monday

Jesus promised that one day He will come and take us to Heaven. Find a path from earth to Heaven.

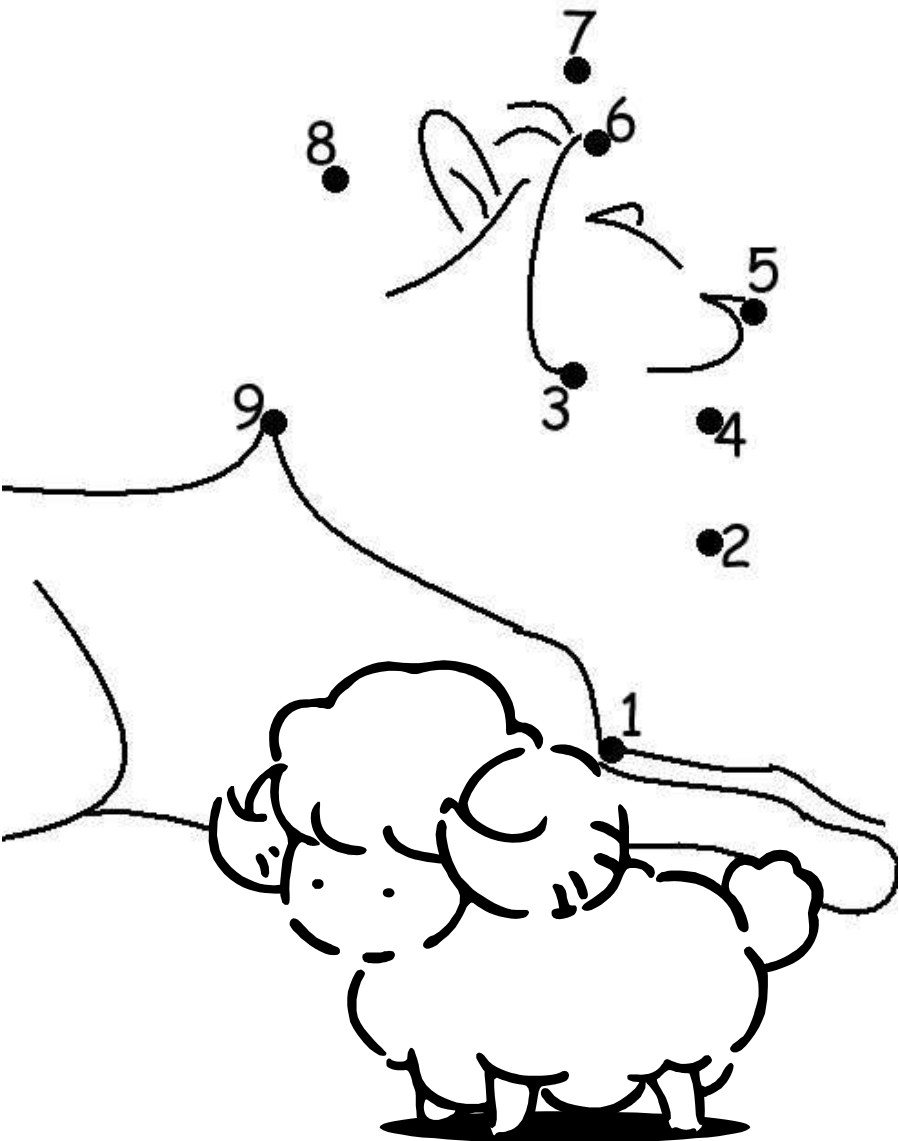

Wednesday

The best part of Heaven will be seeing Jesus. Draw yourself with Jesus.

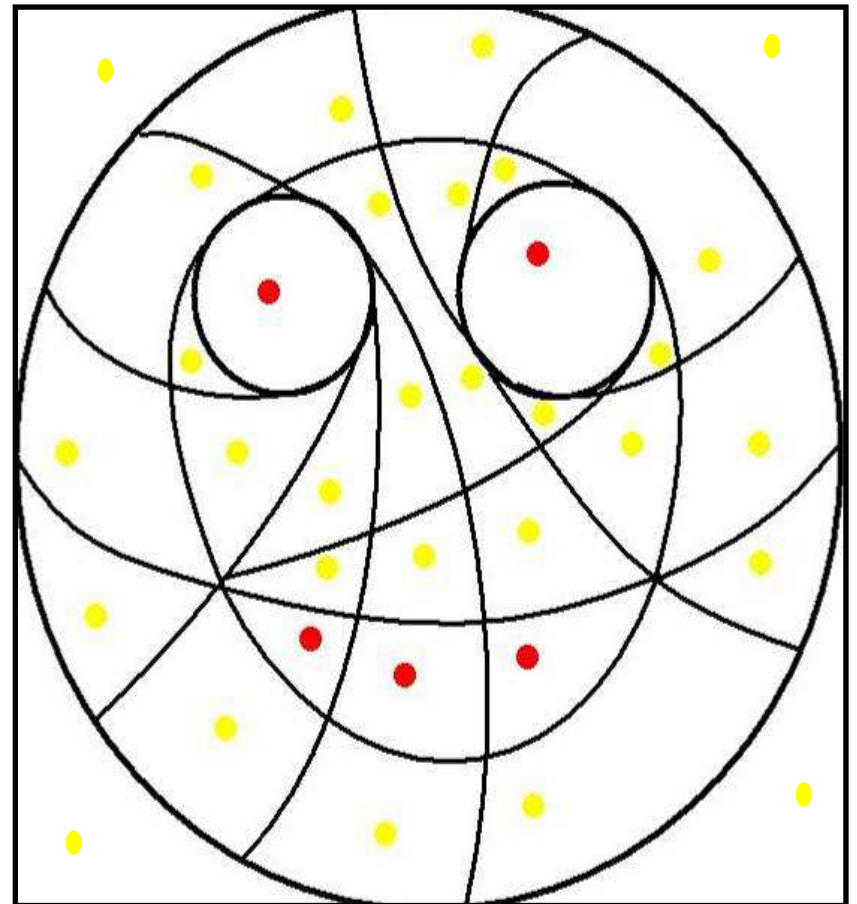

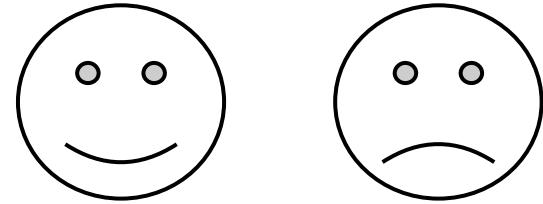

Tuesday

The animals will be friendly.

Tuesday

If we love Jesus how will we feel when He comes?

Wednesday

When Jesus comes it will be very noisy and bright; all the angels will blow their trumpets and shout. Everybody will be able to see and hear what

is going on; nobody will be able to say, "I didn't hear or see Jesus coming."

The wicked people will be so scared that they ask the rocks to fall on them and cover them up; they know now that they had a chance to get to know Jesus and chose not too.

Jesus will call out, and those who loved Jesus when they died will hear His voice and be raised to life again. Everyone who loved Jesus will say, "Here is our Jesus, we have waited for Him and He is coming." Then their bodies will be made perfect and they will wear a special robe from Jesus and start to lift up in the air to meet Jesus; then we will all fly back to heaven together.

Monday

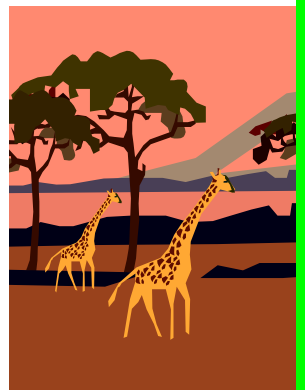

In Heaven we will be able to play with all the animals.

There will be lions and tigers, bears and hippopotamus, the tall giraffes and rhinoceros, little rabbits and squirrels, wombats, kangaroos and koalas.

Down here they would hurt us or run away from us, but in heaven we will be able to have them as pets. In the new earth you will see the lion and lamb lying down together.

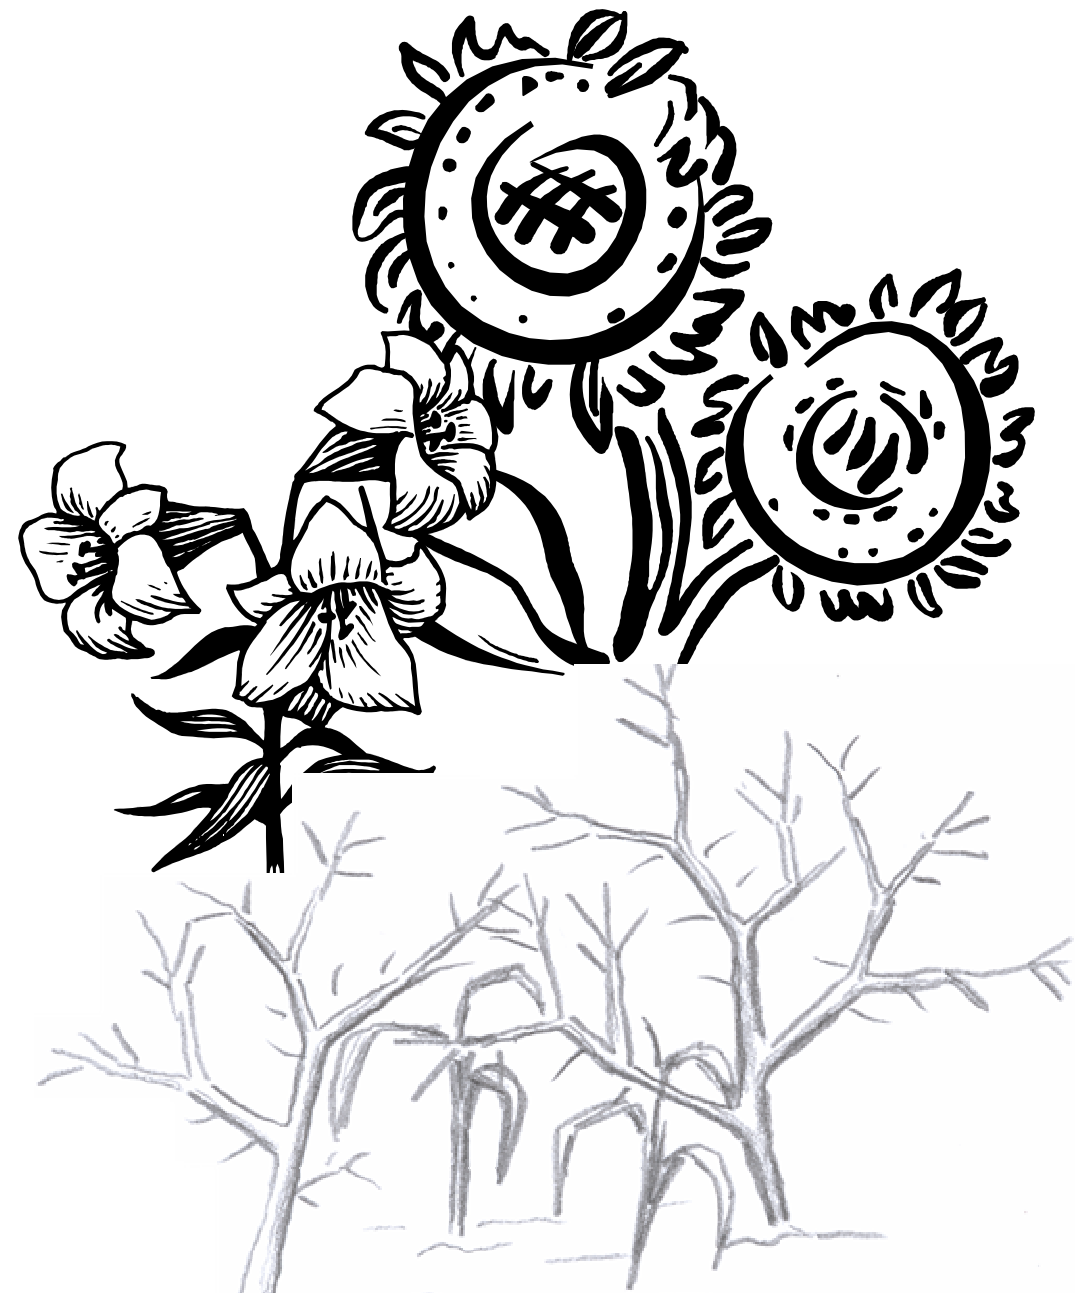

Jesus will give us a special supper in heaven. We will all sit at a very long silver table and eat of the fruit of the Tree of life, the manna, almonds, figs, grapes and many other kinds of fruit.

The best part of it will be seeing Jesus every day and being able to spend time with Him.

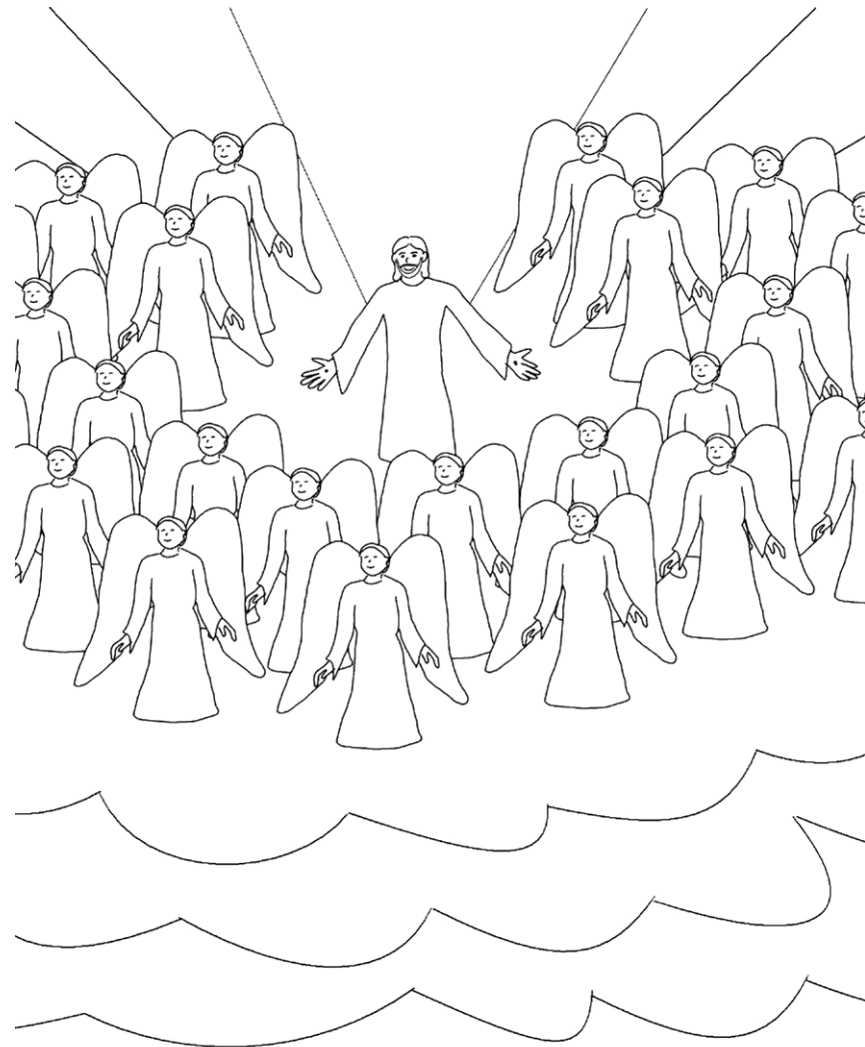

Sunday

There won't be any weeds or thorns. Cross out the weeds and thorns.

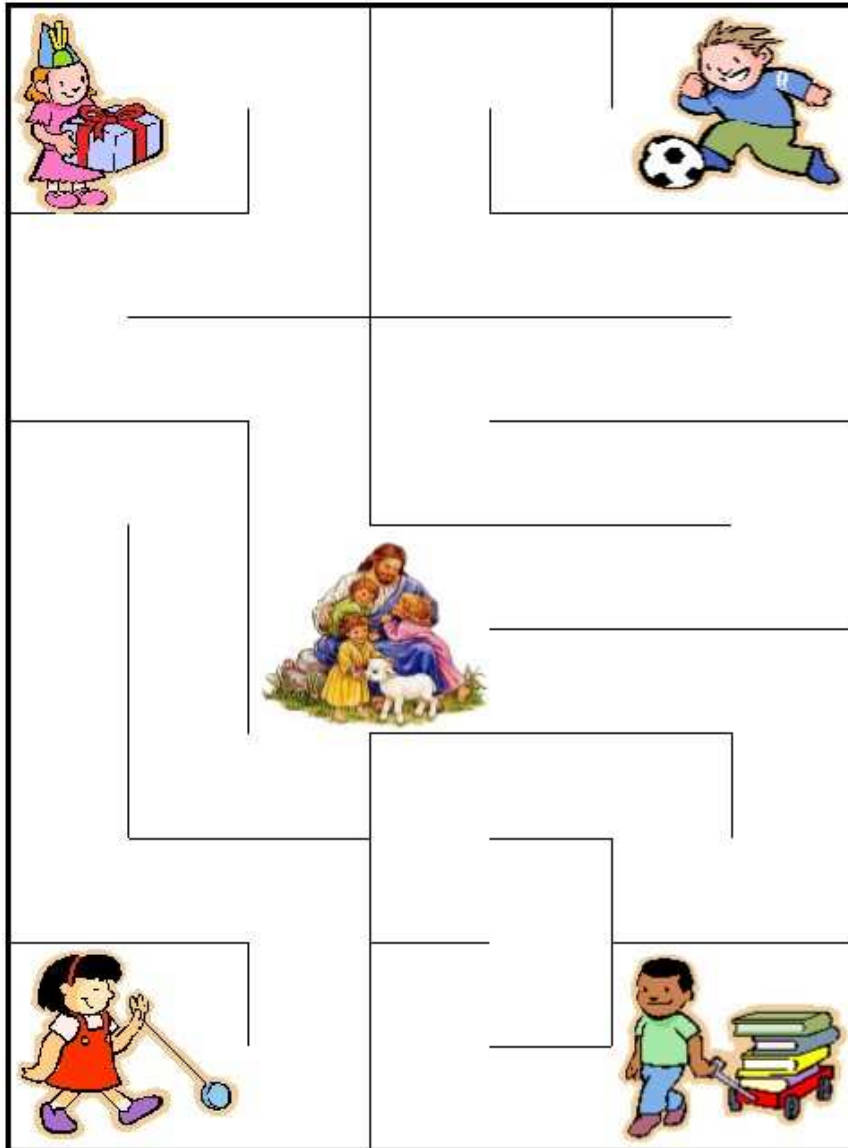

Thursday

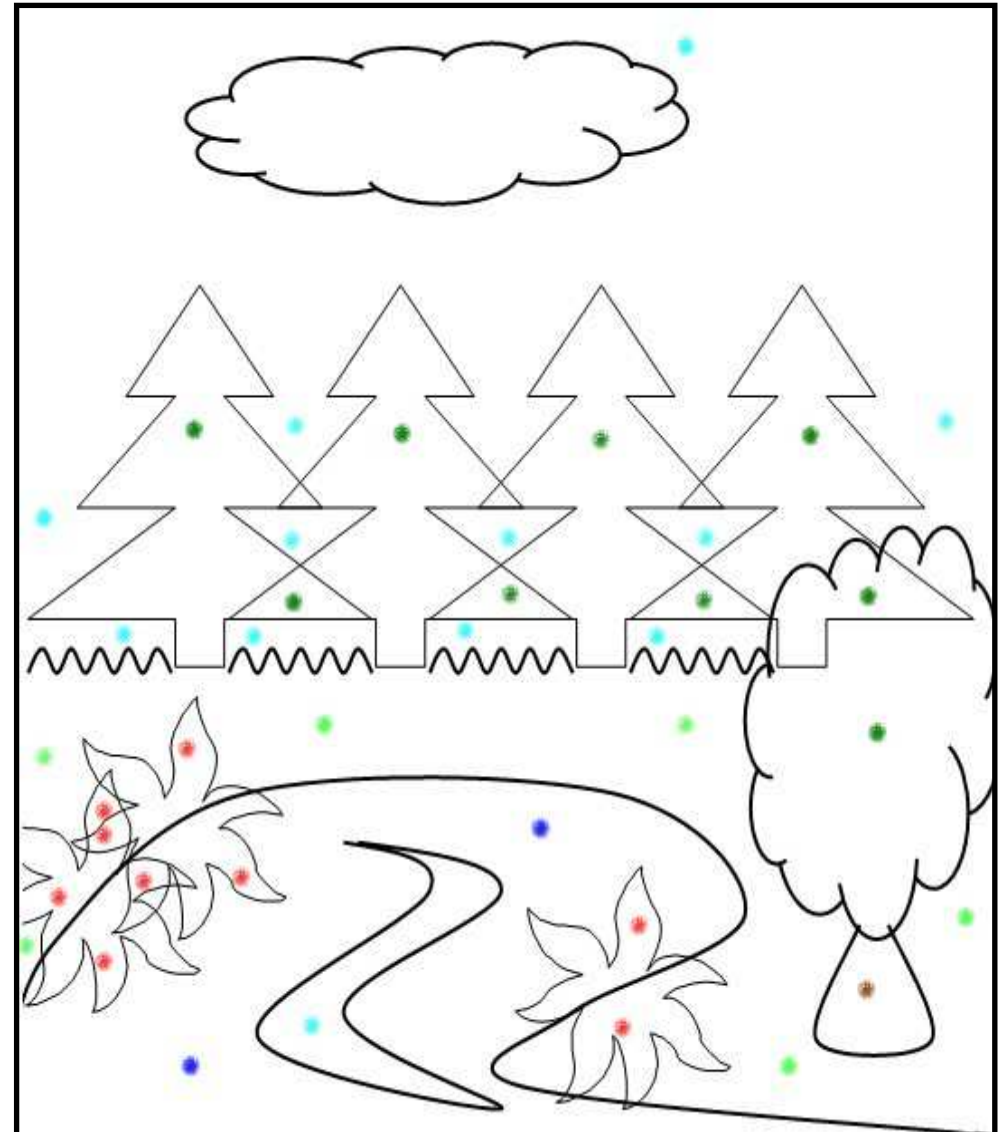

Friday

Jesus will take everyone who loves Him to heaven. Draw a line from these children to Jesus to show that they love Him.

Sabbath

We will have beautiful gardens.

Friday

In the new earth we will each have a special house that Jesus is building for us to live in. We will be able to go out into the garden and pick flowers and they won't die like they do now.

When we walk through the bush, it won't be dark and gloomy like it can be here; instead, it will be light and glorious as the branches of the trees will

move back and forth.

We will take walks with Jesus. We will be able to have gardens in the new earth, but there won't be any weeds, thorns, or thistles to hurt us.

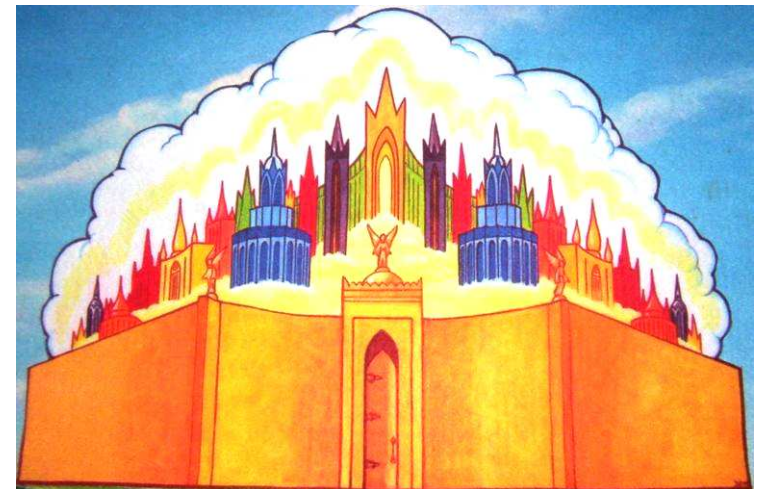

We will be able to go for walks up the hills and mountains or if we want to we will be able to use our wings to fly.

Sabbath

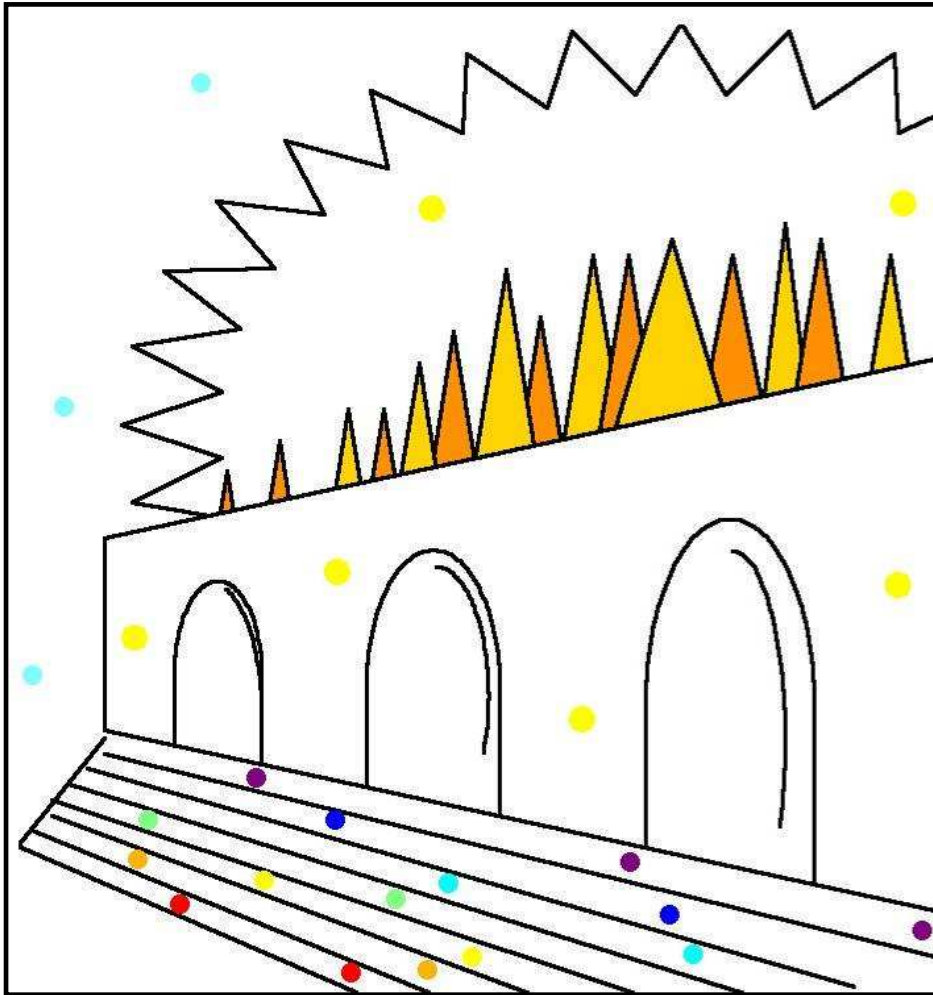

When we get to the city of God, called the New Jerusalem, there will be a big party. We will wear crowns, play harps and wave palm leaves. We will enter the city singing and praising God.

The New Jerusalem is a very beautiful city. The foundations of the city are made with precious stones of many colours and will look like a rainbow. The streets are made of gold, the houses are made of silver and gold, and everything will glitter in the glorious light from God's throne. When we see how beautiful it is we will throw our crowns at Jesus' feet, play our harps, wave our palm branches and sing praises to God and Jesus saying thankyou for what Jesus did for us.

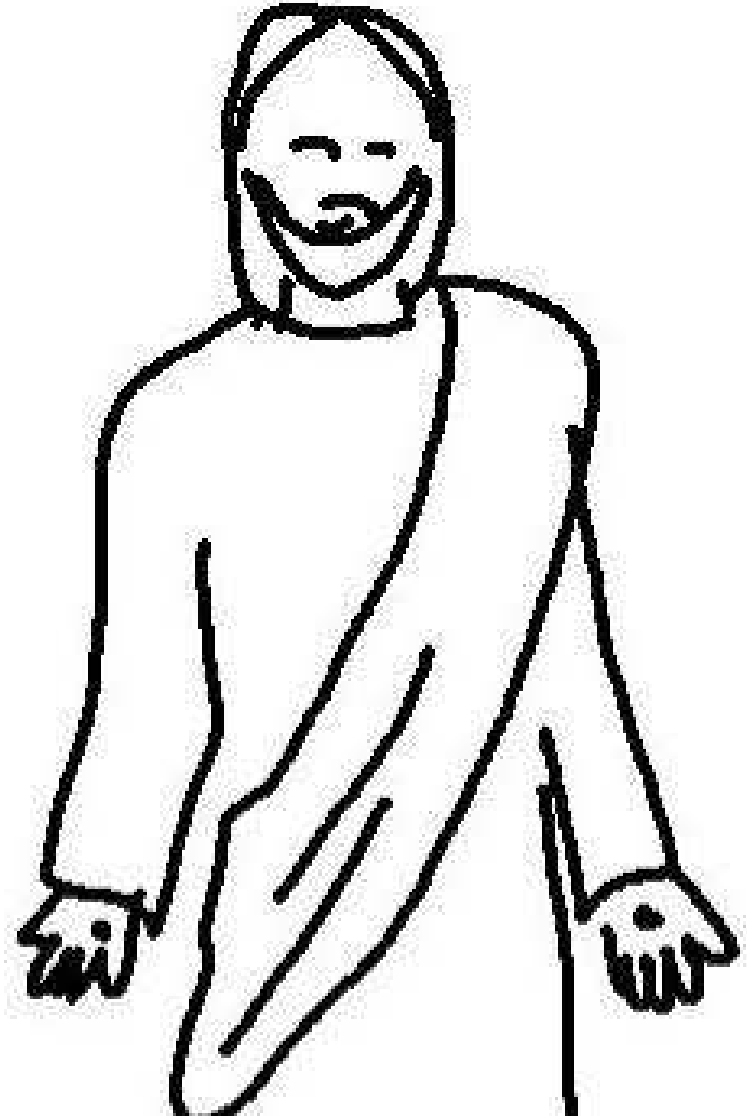

Sunday

God's city will look very beautiful.

Thursday

The new earth will be very beautiful. The only thing that will remind us about sin is the nail prints in Jesus hands.

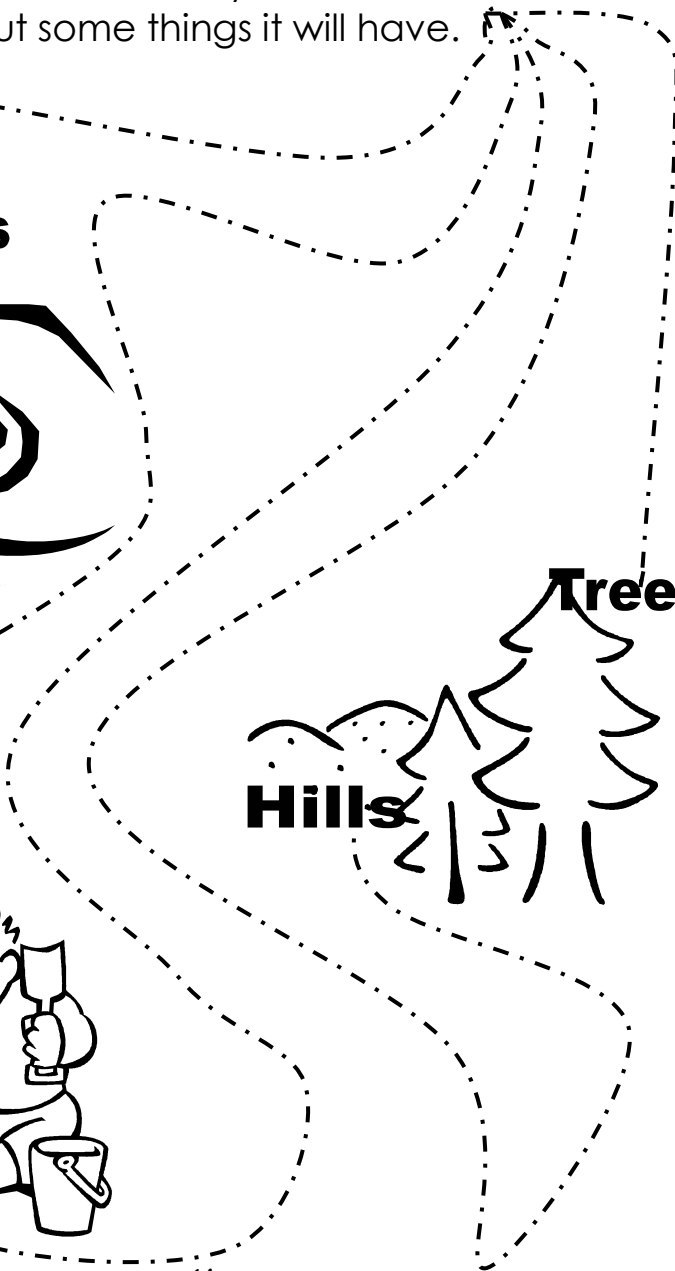

Wednesday

The new earth will be very beautiful. Follow the lines to find out some things it will have.

Mountains

Rivers

Trees

Hills

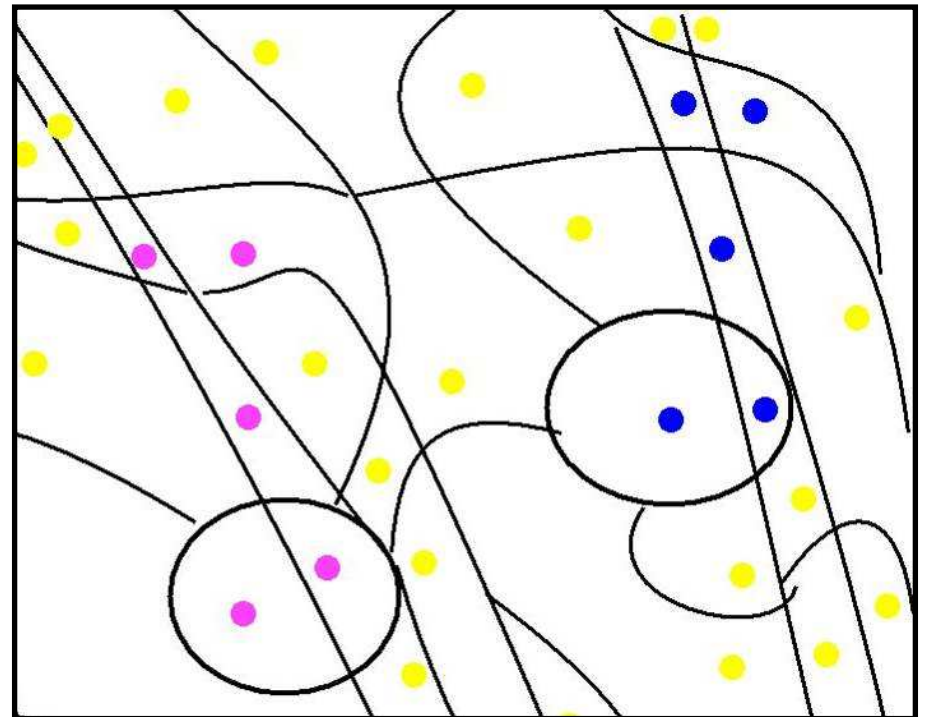

Beaches

Monday

In Heaven we will sing praises and say thank you to Jesus for everything He has done. We can sing to Jesus and thank Him now.

What is your favourite song about Jesus?

"I will come again."

John 14:3 KJV

Tuesday

Coming out from God's throne is a river of pure water and standing on both sides of it is a special tree called the Tree of Life. It looks a little like it is two trees as its golden trunk stands both sides of the river, but the tree is joined at the top and has special fruit that is gold and silver in colour.

After a thousand years Jesus will cleanup this old earth and put an end to sin forever, and then He will make a new earth. The only reminder that we will have of sin will be the nail prints in Jesus hands and feet and the scar in his side.

Then the big city, the New Jerusalem, will come down from heaven and we will all live on this earth. The new earth will be very beautiful; it will have rolling hills and mountains, and grassy plains. There will be big trees and beautiful flowers and rivers and beaches.
