

**God is our...  
help in trouble.  
Psalms 46:1 NKJV**

For the Parents:

Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found:

Ex. 1:6-22; 2:10

My Bible Friends Bk1

The Bible Story Vol 2. p.75-88

Patriarch & Prophets p. 241-246

We need to teach our children that God sends His angels to watch over us at all times.

Moses' life "testifies to the importance of the work of the Christian mother. There is no other work that can equal this. To a very great extent the mother holds in her own hands the destiny of her children. She is developing minds and characters, working not alone for time, but for eternity....Parents should direct the instruction and training of their children while very young, to the end that they may be Christians. They are placed in our care to be trained, not as heirs to the throne of an earthly empire, but as kings unto God, to reign through unending ages." PP p.244.

May God bless you as you teach your little ones about Him

# Moses

## Sabbath

A long time had passed and Joseph's family had grown very large. They were called the Israelites. Now a wicked king was ruling Egypt and he made the Israelites into slaves. Here are some of the things they might have had to do all day.

### Sunday

Then the wicked king said that all the Israelite baby boys had to be thrown into the river.

In one home a baby boy was born, and his father, Amram, and his mother, Jochebed, loved him. For the first three months they hid him in the house. When he cried they would say, "Shh baby, don't cry. We don't want the soldiers to find you."

But the baby grew bigger and cried louder; what could they do to keep their baby safe?

Then Jesus gave mother an idea - she made a little basket boat and made a nice bed in it for her baby, and very early in the morning mother and big sister Miriam took the basket boat with the baby inside and went to the river. Mother left and Miriam hid

in the reeds to watch. Angels that she couldn't see were also there watching over the baby in his basket boat. God had big plans for that special baby, and was keeping watch over him.

### Friday

Jesus has given you parents too, to teach you about Jesus and to teach you other Bible stories so that you can see how God has worked out his special plans for each person. God has a special plan for you too.

### Thursday

Amram and Jochebed knew that one day Moses would go to live with the Princess. Every day Jochebed would tell him stories about how God made the world; the first sin; Noah and the flood; and how Joseph came to live in Egypt.

She taught him about the promise God had made to Eve that one day Jesus would come and die for our sins and be raised again so that we could have a new earth. She also told him that God had promised that one day soon he would send someone to deliver them out of Egypt.

Amram and Jochebed taught Moses that he needed to pray and worship Jesus every day.

When he was twelve years old Moses went to live in the palace with the princess.

God had a special plan for Moses to rescue the Israelites from slavery in Egypt, and He watched over him to keep him safe.

### Monday

Mother made a little basket boat from the reeds growing by the river and use mud and pitch to make sure it would float.

## Tuesday

A little later Miriam heard someone coming down the path to the river. When Miriam peeked through the reeds she saw it was the princess and some of her maids.

The princess noticed the basket boat and asked her maid to fetch it. When she opened the lid the baby started crying. "Oh," said the Princess, "He must be one of the Hebrew children."

When Miriam saw that the Princess liked the baby, she came out of her hiding place and asked if the Princess would like her to get someone to help take care of the baby.

The Princess said, "Yes." Miriam hurried home to get her mother. When mother arrived, the Princess said, "Look after him till I send for him. I will pay you wages. I have called him Moses." Mother and Miriam hurried home with baby Moses. Now they knew the king's soldiers could not hurt him anymore.

## Wednesday

God sent the princess to look after Moses and He will look after you too. Help the princess find the baby.
