

God said, "Let us make man" Genesis 1:26 NASB

For the Parents:
Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found:

Gen. 1:14-31; 2:4-25; Ps 19:1-6; 33:6-9

The Bible Story Vol 1 p. 29-34

Patriarchs & Prophets p. 44-51; Story of Redemption p. 20-23;

3 Spiritual Gifts p. 90-93

By giving your child/children a good understanding of the importance of a literal 6 day creation week, with God resting on the 7th day as a memorial and reminder of His creative power, you will give your child the foundation they need to be able to recognise and refute evolution for the lie it is. God gave us the Sabbath as a permanent memorial of His creation week for all eternity. May God bless you as you teach your little ones about Him.

God Makes Animals & People

Sabbath

Remember last week we learnt how God made our world? He made the light, then the sky, then the land and sea, and finally the sun, moon and stars. Follow the arrows to tell the story.

Sunday

Up till now the only sound you could hear was the wind blowing through the trees, but that all changed on the fifth day. Jesus said, "Let the waters teem with all sorts of fish." Now there were little tiny fish, crabs, sea horses, lobsters, clams, starfish, dolphins, sharks, whales and lots of other fish, all swimming about in the sea and rivers and lakes. Then Jesus said, "Let there be birds to fly up in the sky." Then there were little blue wrens, kookaburras, lorikeets, majestic eagles, ducks, swans and lots of other birds. It wasn't silent any more, because now you could hear the birds singing away as they flew about in their brand new world.

Jesus was very pleased with what He had made. He told the fish and birds to have lots of babies that are just like themselves.

The night time and the morning were the fifth day.

Friday

Use a ruler to extend each arrow to show what God created on each day.

Sunday

Monday

Tuesday

Wednesday

Thursday

Friday

Thursday

God did something special when He created people. Instead of just speaking, God made Adam from the dirt.

Monday

Have you seen the colourful birds and fish that God has made? Join the dots and then colour it in.

Tuesday

Which came first: the chicken or the egg?

Wednesday

On the sixth day, Jesus said, "Let the earth produce every sort of animal." Suddenly there were giraffes, lions, bears, tigers and deer. There were dogs, cats, cows and horses. There were little tiny animals like mice, as well as all the other animals.

Now it wasn't quiet; you could hear the roaring and mooing and barking and all the other animal sounds. The animals were friendly and didn't hurt each other.

Then Jesus said, "Let's make humans that look like us. They will care for the birds, fish and animals."

Jesus stooped down and used the dust of the earth to make a man called Adam. Then Jesus breathed into his nose and Adam came alive.

A little later on the same day Jesus said, "It is not good for man to be alone." So Adam fell asleep and Jesus took one of his ribs from his side and made it into a woman named Eve.

God was very pleased with all He had done. That was the end of the sixth day.
