By giving your child/children a good understanding of the importance of a literal 6 day creation week, with God resting on the 7th day as a memorial and reminder of His creative power, you will give your child the foundation they need to be able to recognise and refute evolution for the lie it is. God gave us the Sabbath as a permanent memorial of His creation week for all eternity. May God bless you as you teach your little ones about Him.

## The First Sin

### Sabbath

Everybody makes choices. Circle the children you think are making good choice and cross out the ones who are making bad choices.

## Sunday

Before God made our world there were angels in heaven. The leader and most beautiful of all the angels was Lucifer. Everybody was happy in heaven, but one day, Lucifer began to get jealous. He decided he wanted to take Jesus' place. Lucifer talked with the other angels. Soon there was a war in heaven and Lucifer, whose name was changed to Satan, and the angels who had listened to him, were thrown out of heaven.

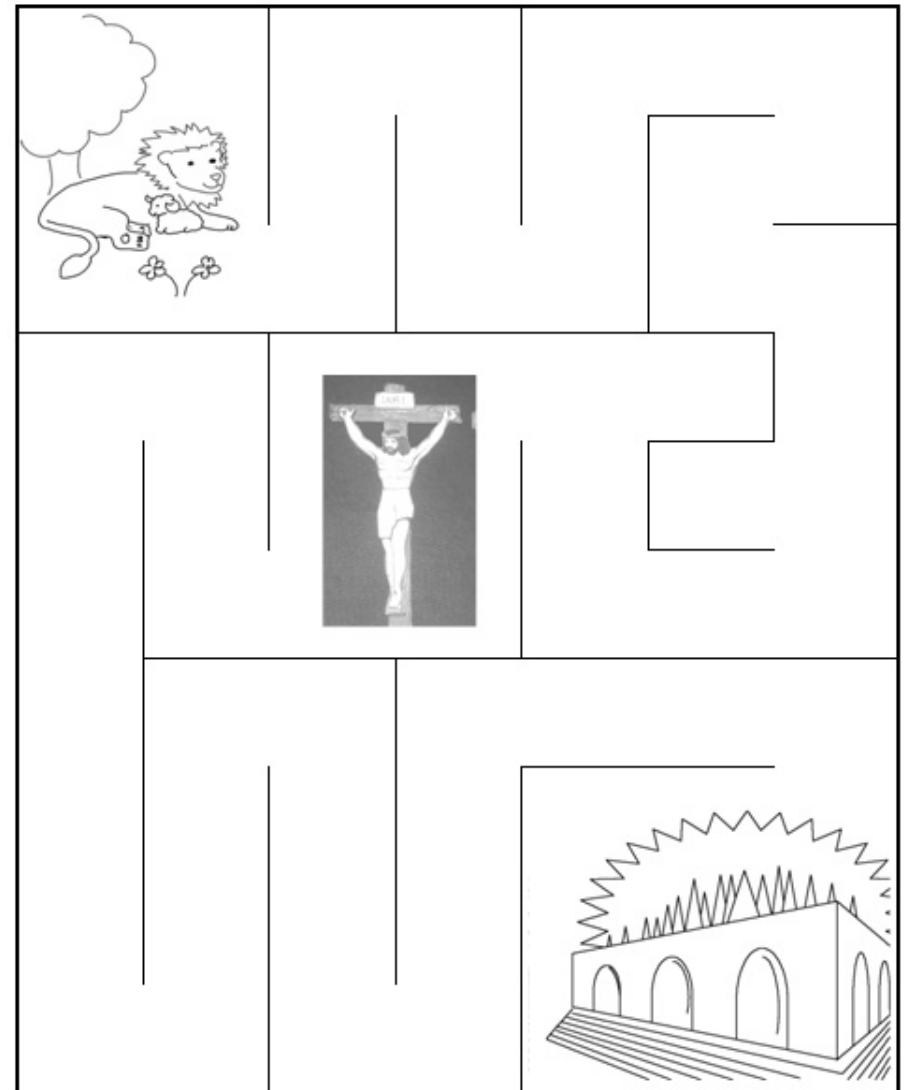

After Jesus made our beautiful earth, Satan and his angels came to live here. They wanted to make Adam and Eve sin. Good angels warned Adam and Eve about what had happened in heaven and told them to be on guard as Satan would try to hurt them.

Jesus told Adam and Eve about two special trees. One was the Tree of Life and they could eat its fruit, but the other was the Tree of Knowledge of Good and Evil and they were not to touch it or eat its fruit or they would die.

Friday

When sin ruined God's beautiful world, He made a way that people could be saved to live with Him in Heaven. Follow the maze to see how.

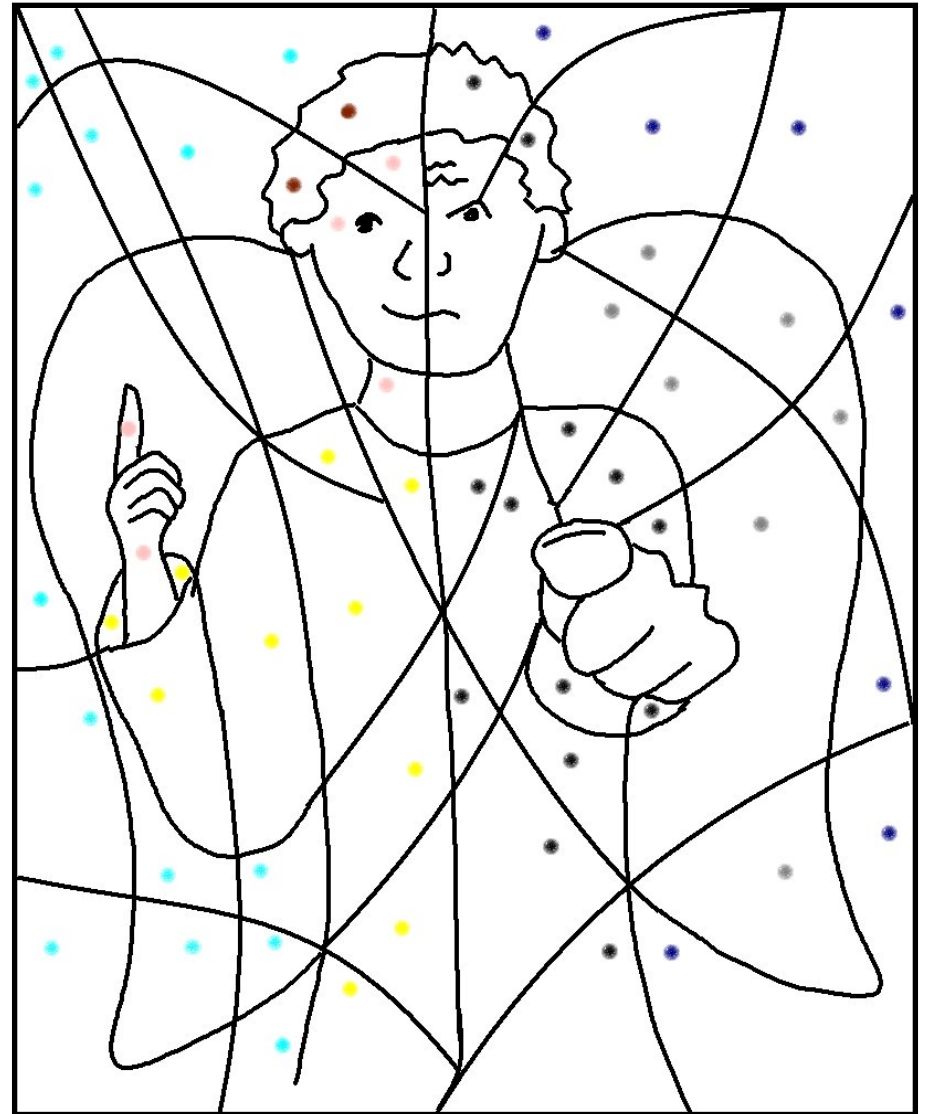

### Thursday

In the evening Jesus came down to talk with Adam and Eve like he had been doing every day. They used to come running when they heard His voice, but this day they hid instead. Then Jesus called out and asked them where they were. When they were talking to Jesus, Adam blamed Eve, and Eve blamed the snake for what they had done wrong. Jesus told them that they could no longer live in the Garden of Eden. Instead, they would now have pain and sorrow and hard work, but one day Jesus would come to this earth and die on the cross for people's sins. Anyone who believes in Him will be saved and be able to go live with Him in heaven one day.

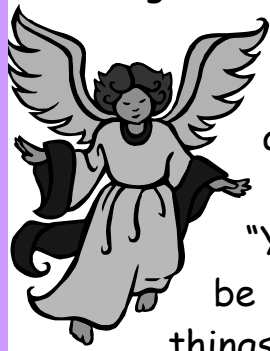

### Monday

Lucifer was the most beautiful and most important angel in Heaven. But jealousy grew inside him until he became Satan.

## Tuesday

One day Eve went for a walk by herself and found herself by the Tree of Knowledge of Good and Evil. She heard a voice say, "Did God really say that you should not eat this fruit?" A snake talking from the tree!

Eve didn't know it was really Satan talking to her through the snake. Eve answered, "God said that if we eat this fruit we will die."

"You won't die," the snake said, "You will be like God." Eve forgot all of the good things Jesus had done for her; the fruit looked yummy and she wanted to be like God so she ate some of the fruit. Then she picked more and hurried off to Adam. Adam was very sad, but he didn't want to leave Eve so he ate it too.

Then Adam and Eve saw their special clothing of light had disappeared so they used leaves to make clothes. They didn't feel happy like they had been before and they blamed each other.

## Wednesday

God gave Adam and Eve a choice. If they listened to and obeyed Him it would show that they really loved and trusted Him; but they chose to listen to Satan and so sin came into our world. Follow the lines to see who the children are listening to. Who will you listen to?
