

## **52-Quarter 1 Lesson 5**

**Title:** Enoch.

**Memory Verse:** Deuteronomy 4:29 “You will find Him if you seek Him with all your heart” NKJV

**Lesson References:** Genesis 5:21-24; Hebrews 11:5  
The Bible Story Vol 1 p. 95-98  
Patriarchs & Prophets p. 85 - 89

**Lesson Aim:** To teach the children that we need to form a close relationship with God just as Enoch did. We can talk to God anytime, anywhere and He will hear us. God wants to be our friend all the time not just on Sabbath but all through the week.

### **Story Illustration Ideas:**

In either a sandbox or play dough tray you could have some dolls and cut outs of a city where one doll as Enoch goes and preaches to them and then another area set up as a nature scene where he then goes to pray and talk with God. Have the Enoch doll move back and forth between the two scenes to impress on the children that we can go out in nature to meet with God.
