For the Parents:

Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found:

1 Kings 18; 19:1-18

My Bible Friends Bk 6

Bible Story V5 p26-43

Prophets and Kings p137-170

We need to teach our children that God wants ALL of our worship. We need to be careful that we don't put anything else first like watching TV or movies, playing games etc. When we spend time in prayer and Bible study we are worshipping God.

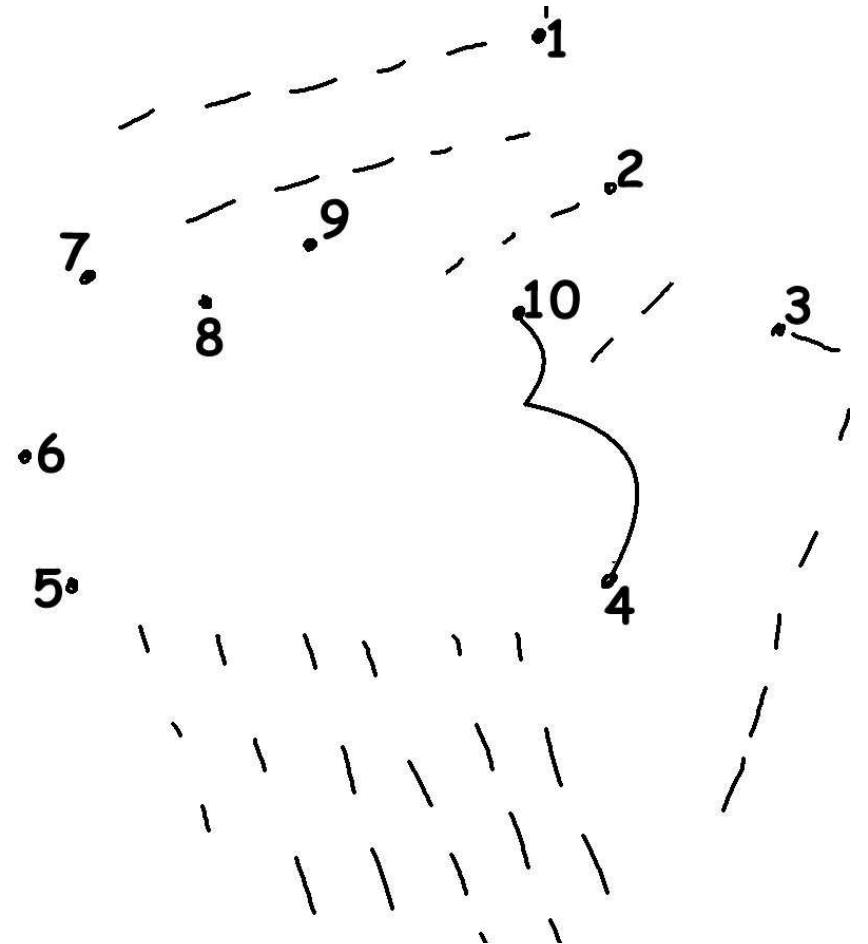

May God bless you as you teach your little ones about Him.

Sunday

After three and a half years of no rain, God told Elijah to go back to Israel and find the King. When Elijah found King Ahab, he told him to come to Mt Carmel. All the people and all the prophets of Baal were to meet there.

When everyone had arrived at Mount Carmel, Elijah said, "Let us make sacrifices, but without setting fire to them. Then we will know that the god who sends the fire is the true God."

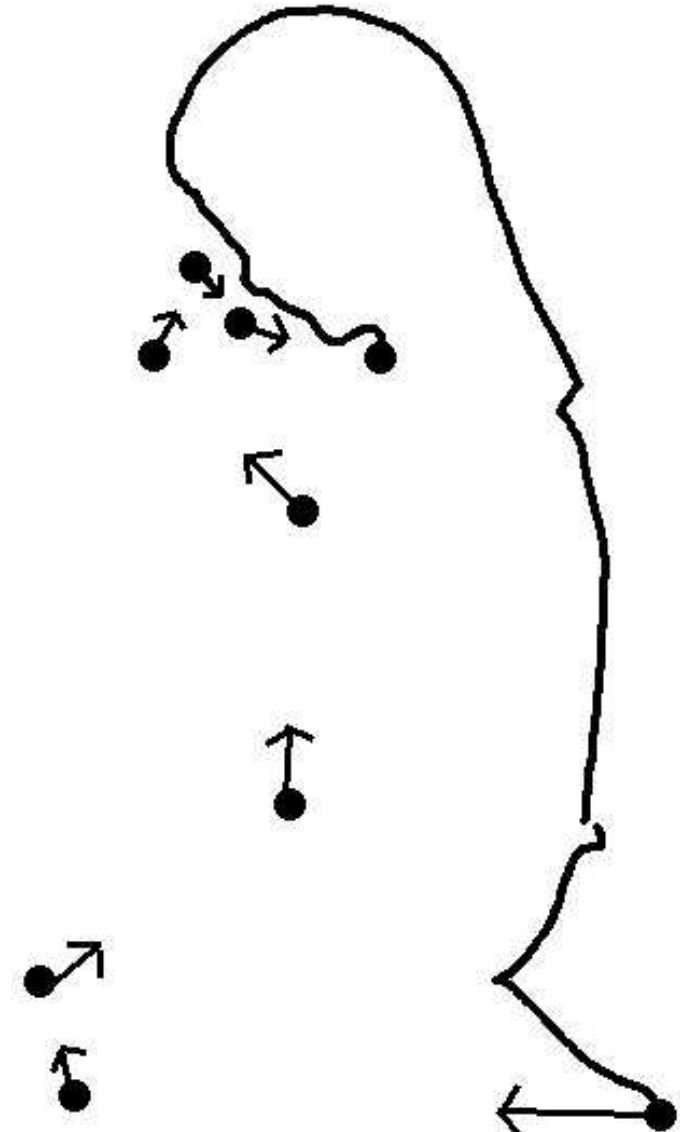

So they built two altars from stones, one altar was for God and the other one was for Baal. The prophets of Baal put their offering on the altar and then they began praying to Baal. "Oh Baal hear us! Oh Baal hear us!"

Throughout the day they cried louder and still louder. "Oh Baal hear us!" They jumped and cut themselves but there was no answer.

Wednesday

When evening was coming Elijah called the people over to him, he put some wood on the Lord's altar, and then the offering. Then he had some people pour twelve large jars of water over the sacrifice! The water ran down and filled the ditch around the altar. Everything was now very, very wet; there was no way anyone could make it burn now.

Looking toward heaven Elijah prayed that the people would know that God was the true God. Elijah had barely said Amen when fire came down from heaven! It burned up, not just the sacrifice, but also the stones and the water in the ditch. Then all the people knelt down and said, "The Lord, He is God! The Lord, He is God!"

God was pleased and that night He sent rain to water the thirsty earth and help the plants to grow again.

We need to remember to say thank you, to God who sends the sunshine and rain so that the plants can grow so we can have good things to eat.
