

Jesus Loves the Children

Sabbath

Who is the most important person?

Jesus said...

"Let the children come to me."

Luke 18:6 NASB

For the Parents:

Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found:

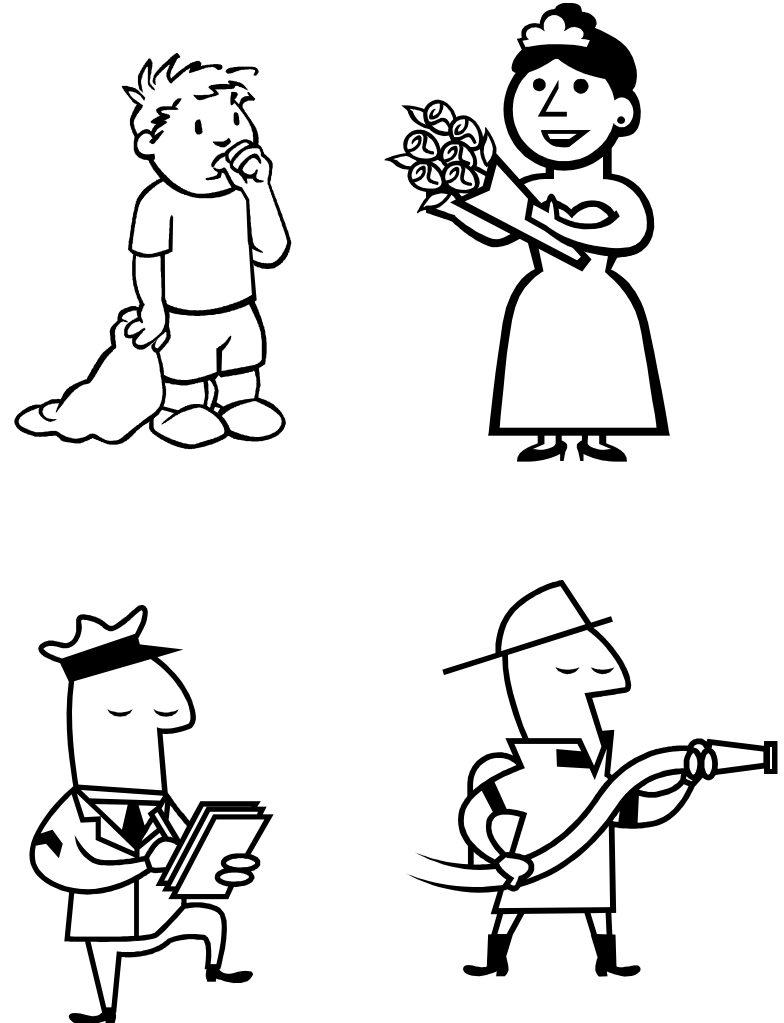

Luke 18:15-17; Matt 18:6-10; Is 11:6-9; John 21:15

The Bible Story Vol 9, p9-14

Desire of Ages p. 511-517

We need to teach our children that Jesus loves all children and that He wants to be their friend. To get to know a friend means you have to spend time with that person so we need to spend time with Jesus. Your small child needs you to not only set an example but to help them form a friendship with Jesus.

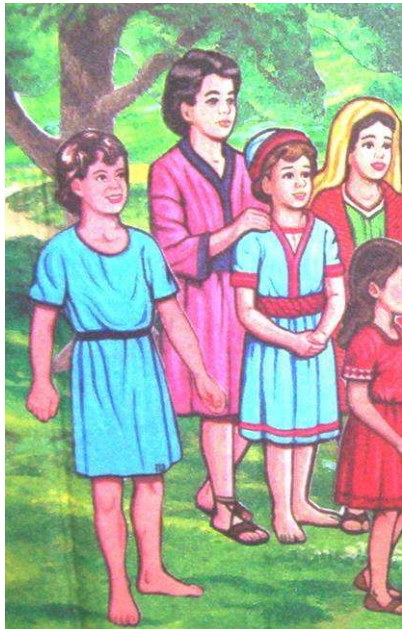

May God bless you as you teach your little ones about Him.

Sunday

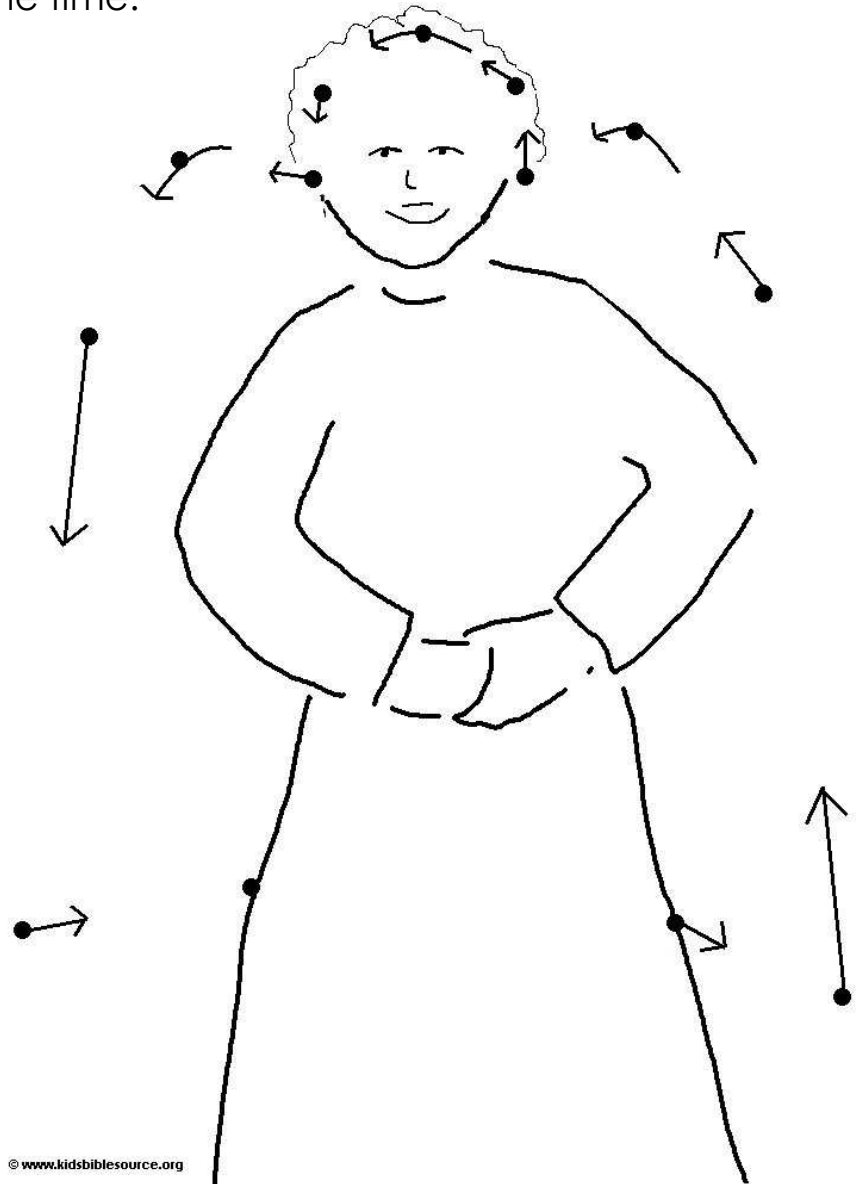

One day some children wanted to go and see Jesus so they asked their parents if they would take them. The parents and the children set off to find Jesus. But when they got there Jesus' disciples told the parents and the children to go away, they said Jesus didn't have any time for them!

The children and their parents were very sad and started to walk away. But the disciples were wrong; Jesus did want to see the children.

Friday

Jesus has given you a special angel to look after you; and Jesus said that your angel sees God all the time.

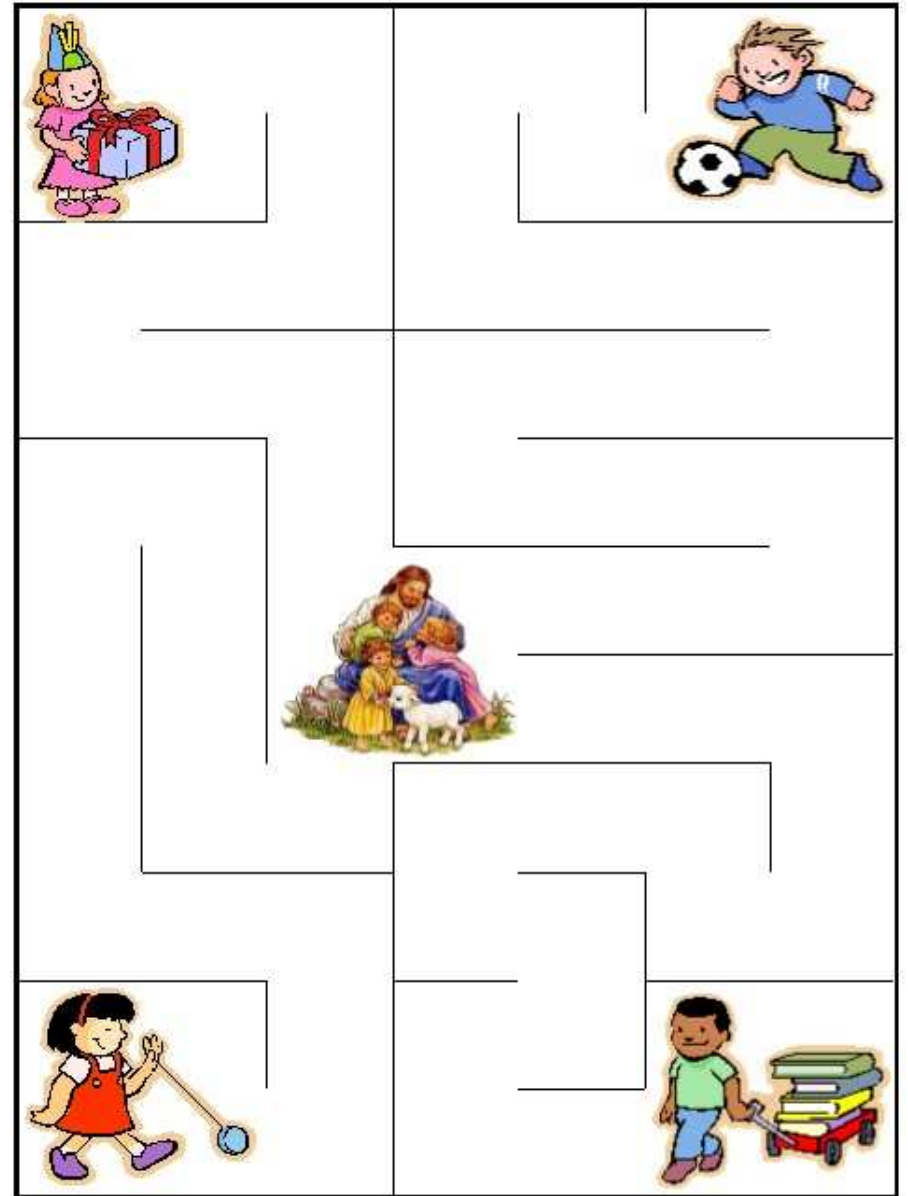

Thursday

Jesus was happy to see the children; He said, "Let the children come to me. Don't stop them!"

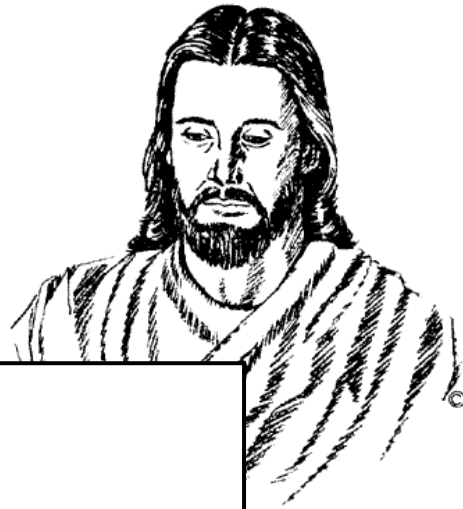

Monday

Jesus was happy to see the children. Help these children find the way to see Jesus.

Tuesday

Jesus thinks you are very special and wants to be your friend. Draw a picture of yourself.

ME:

Wednesday

Then the children heard Jesus say, "Let the children come to Me. Don't stop them!"

Quickly the children ran to Jesus. Jesus gave them hugs and some of the little ones sat on His lap. Then He told them lots of interesting stories.

Jesus loves the children, all children; and He is always listening and watching out for them. He wants to be your friend too. Because He loves you so much, He has given you a special angel to look after you all the time.
