

# He will heal us.

## Hosea 6:1 NKJV

### For the Parents:

Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found:

Luke 8:41-56; Mark 5:21-43

The Bible Story Vol 8, p. 12-18

Desire of Ages p. 342-348

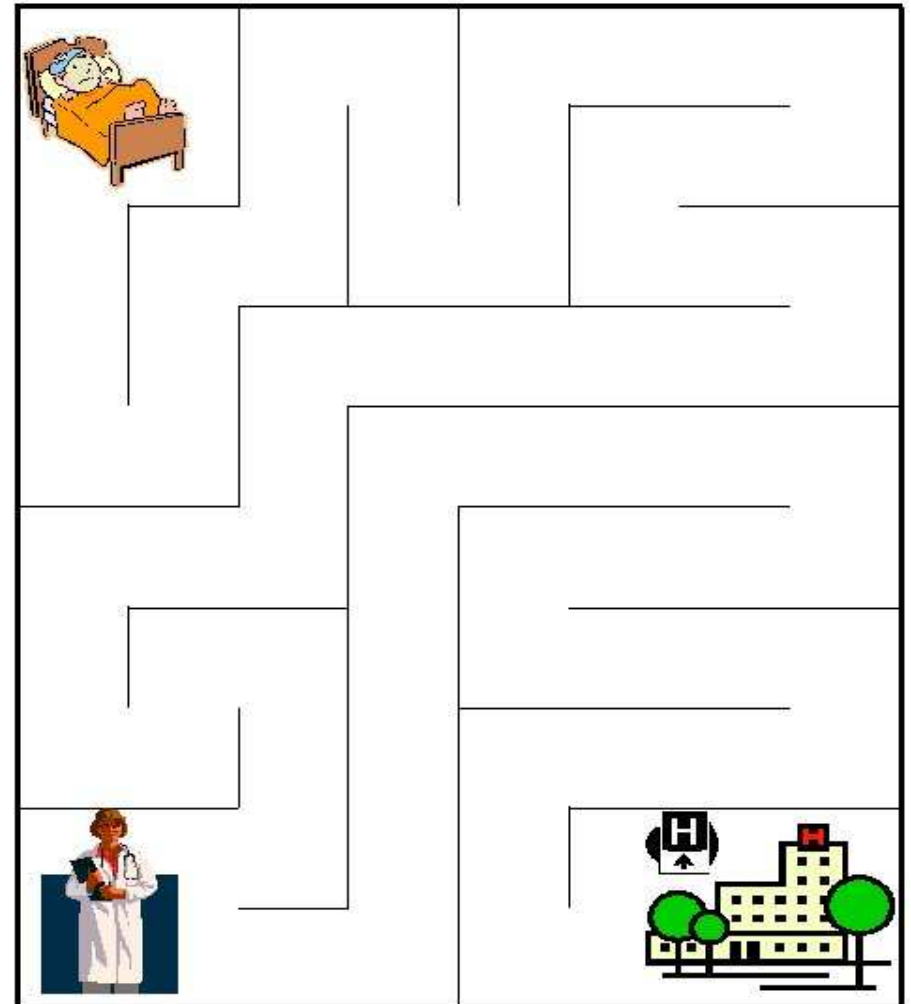

This week teach your little ones that even though we cannot see God and Jesus we need to have faith and believe in Him. Just like you sometimes say yes or no or not yet wait a while, so God answers our prayers the same way. We need to listen for His still small voice telling us the answer. God is always interested in what is going on in our lives.

May God bless you as you teach your little ones about Him.

## Little Girl Made Well

### Sabbath

Have you ever been so sick that you had to go to the doctor or the hospital?

### Sunday

Jesus was teaching the people down by Lake Galilee when a man named Jairus pushed his way through the crowds of people to Jesus. When he came to Jesus he said, "Please Jesus, can you come and heal my little girl? She is very, very sick."

Jesus started following Jairus to his house but there were so many people who wanted Jesus' help; Jesus kept stopping to say some kind words to them or to make them well.

In the crowd of people following Jesus, was a lady who had been sick for twelve long years. She had been to doctor after doctor and no one could make her well; now she no money left to pay any more doctors. When she heard about how Jesus was making sick people well again and she thought to herself, "If only I could see Jesus."

### Friday

When we pray we need to remember to believe that Jesus can hear our prayers, and that He will answer them in the best way for us.

Sometimes He says "Yes," sometimes He says "No," and sometimes He says "Wait awhile."

We need to always remember to say thankyou to Jesus for our healthy bodies, for being able to crawl, run, play and make sounds.

When we are sick we need to remember that Jesus is still taking care of us.

### Thursday

While Jesus was talking to the woman who had been healed, a man pushed his way through the crowd and said to Jairus, "Don't bother Jesus anymore; your little girl has died." Poor Jairus was very sad, but Jesus said to him, "Don't be afraid; only believe."

Jesus took Peter, James and John to Jairus' house and they found the house full of people. Jesus said the little girl was only sleeping; Jesus told everyone to go home.

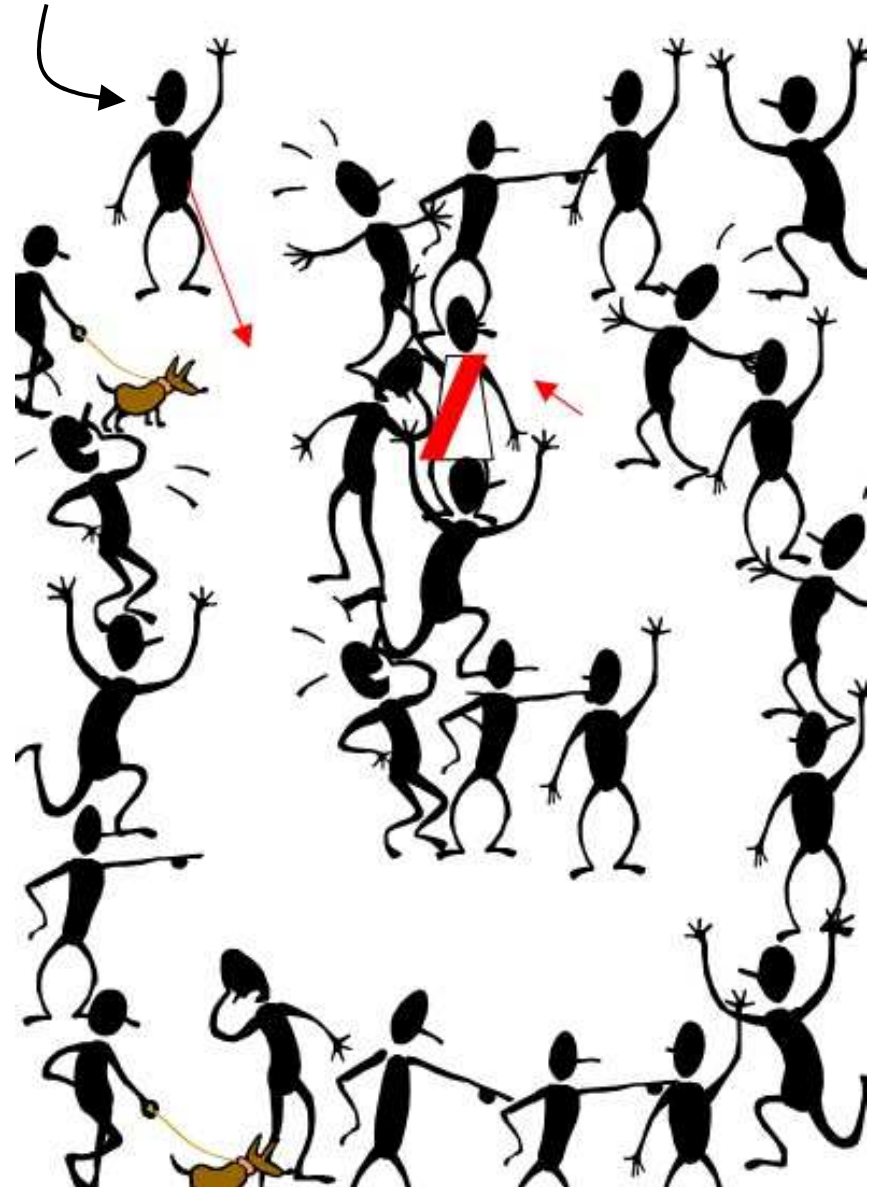

Then, with the little girl's parents and His three disciples, Jesus went into her bedroom. He took her by the hand and said, "Little girl, get up." The girl hopped out of bed and Jesus told her Mummy to get her something to eat.

I'm sure the little girl and her family said thankyou to Jesus.

### Monday

There were lots of people following Jesus. Help Jairus find his way though the crowd to Jesus.

## Tuesday

The sick lady had been trying to reach Jesus but there were so many people around and she was too sick to push her way through.

As Jesus was walking to Jairus's house He came close to where this lady was standing and she thought to herself, "If I can just touch the hem of Jesus robe I will be made well." So she reached out and touched the hem of His robe as He passed, and straight away she felt better!

Jesus stopped and said, "Who touched Me?"

There were lots of people pushing and shoving and they wondered why Jesus would ask such a silly question. But Jesus wasn't talking about the people who were pushing and shoving. Jesus looked at the lady who had been made well and she came forward, knelt down and told Him how she had been healed. Jesus said to her "Go on your way, your faith has made you well."
