We need to remember to praise God everyday. We can do this by singing to Him, praying and sharing stories about Him to other people that we meet each day. We need to also thank Him each time He answers our prayers and for the blessings He gives us each day.

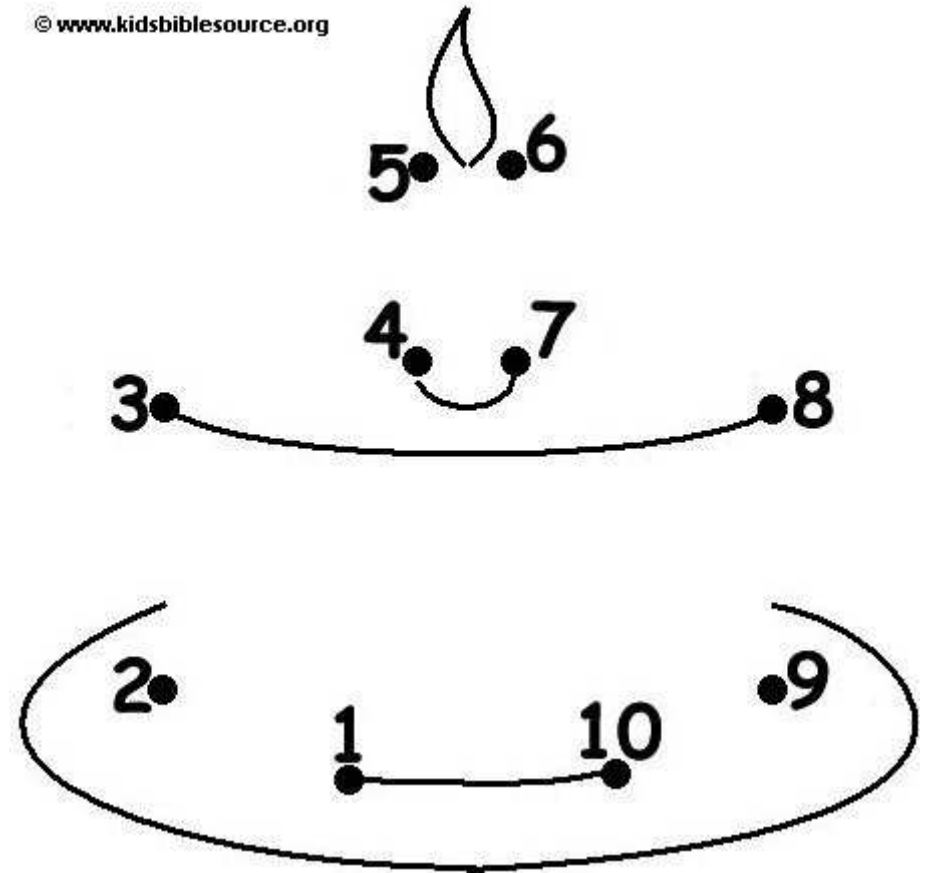

May God bless you as you teach your little ones about Him.

Sunday

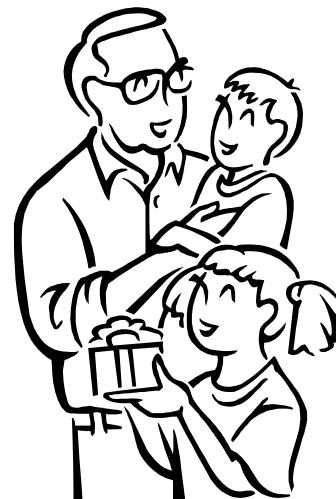

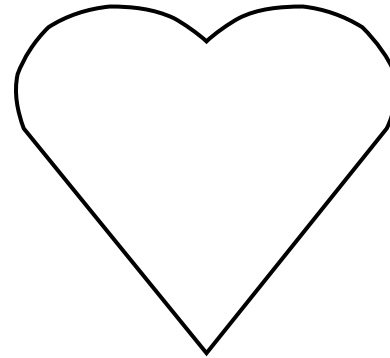

Jesus and His disciples had been travelling towards Jerusalem. When they were nearly there Jesus sent His disciples into a nearby village to find a young donkey tied near a certain house. He told His disciples that if anyone asked why they were untying the donkey that they were to say that Jesus needed to borrow it.

So they went off and found the donkey just like Jesus said and brought the donkey to Jesus. They threw their coats over the back of the donkey for Jesus to sit on.

Friday

Wednesday

Jesus sat on the donkey and Lazarus began to lead it forward. People began throwing their coats like a carpet on the ground for the donkey to walk on as it carried Jesus. Children were waving palm branches and everyone shouted and sang, "Hosanna to the King who comes in the Name of the Lord. Hosanna, Hosanna!" People who had been sick and Jesus had made well were singing; everybody was very happy and excited as they sang.

We too need to praise and sing to Jesus. We can tell Him thankyou for all the wonderful blessings He has given us. We can also praise Him by telling other people about Jesus and what He has done for us.
