

**Love one another  
as I have loved you.**

**John 15:12 NKJV**

**For the Parents:**

Dear Parents,

In case you would like to do some study for yourselves; here is where this Bible story is found:

John 13:1-17; Mark 14:12-26

Bible Story Vol 9, p.55-64

Desire of Ages p.642-661

We need to explain to the children why we celebrate the communion service as a reminder of God's great love for us in sending Jesus to die for our sins. This can be reinforced when communion is celebrated in the church service by again reminding our children that Jesus loves them so much He was willing to leave heaven's glories and come to this earth to die a horrible death.

May God bless you as you teach your little ones about Him.

# Jesus' Last Supper

## Sabbath

Does your family have special food for special days like weekends or birthdays?

Draw some special food that your family has.

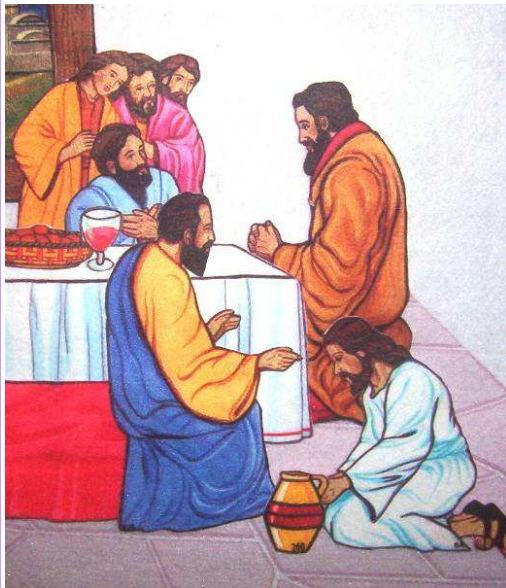

### Sunday

It was time for everyone to celebrate the special Passover meal so Jesus sent some of his disciples to get everything ready.

When Jesus and the rest of His disciples arrived, there was no servant to wash their dusty feet and the disciples didn't want to do it.

Then Jesus got up from the table and poured some water into a bowl and took a towel began to wash and dry each of the disciples' feet.

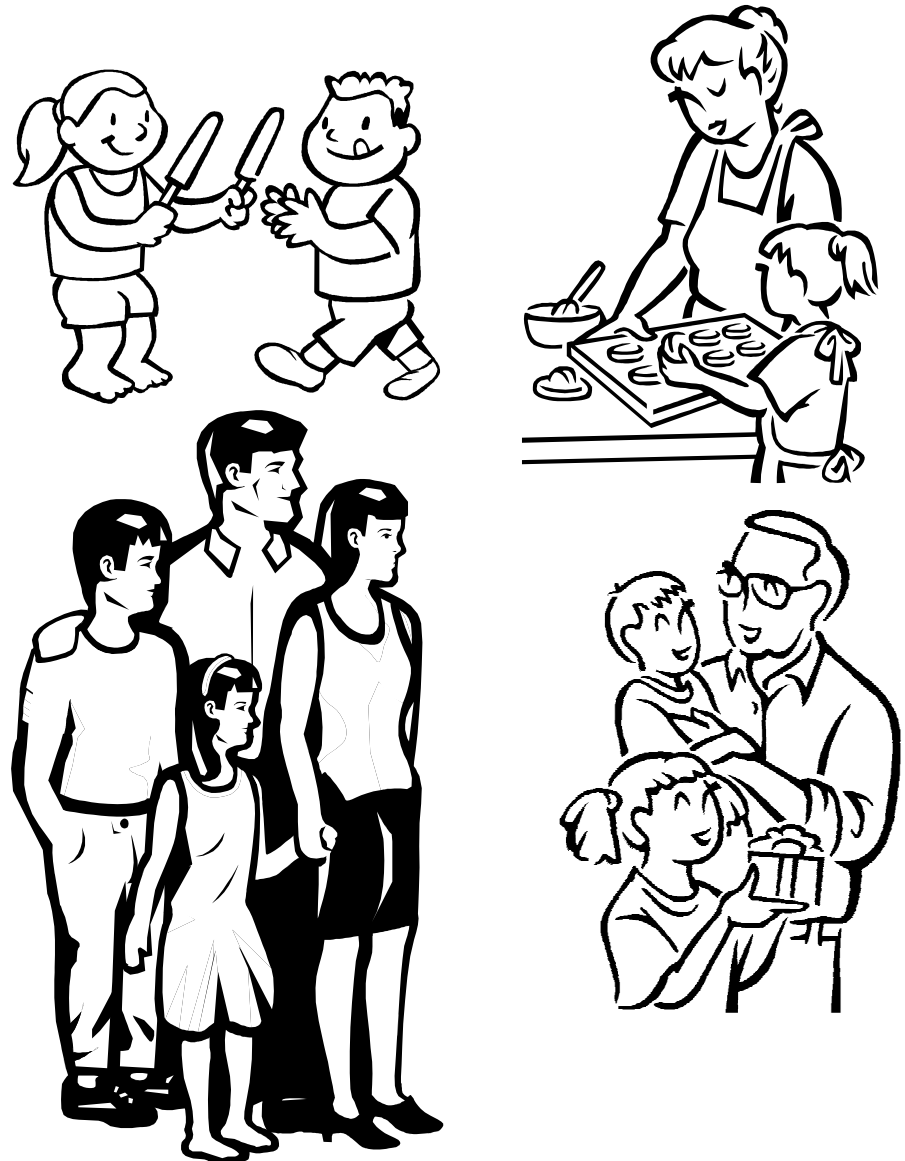

When Jesus had finished washing their feet He sat back down and said to them, "I have given you an example to follow; I want you to do to each other, just as I have done to you."

Have you seen the big people in your church washing each other's feet, just like Jesus washed the disciples?

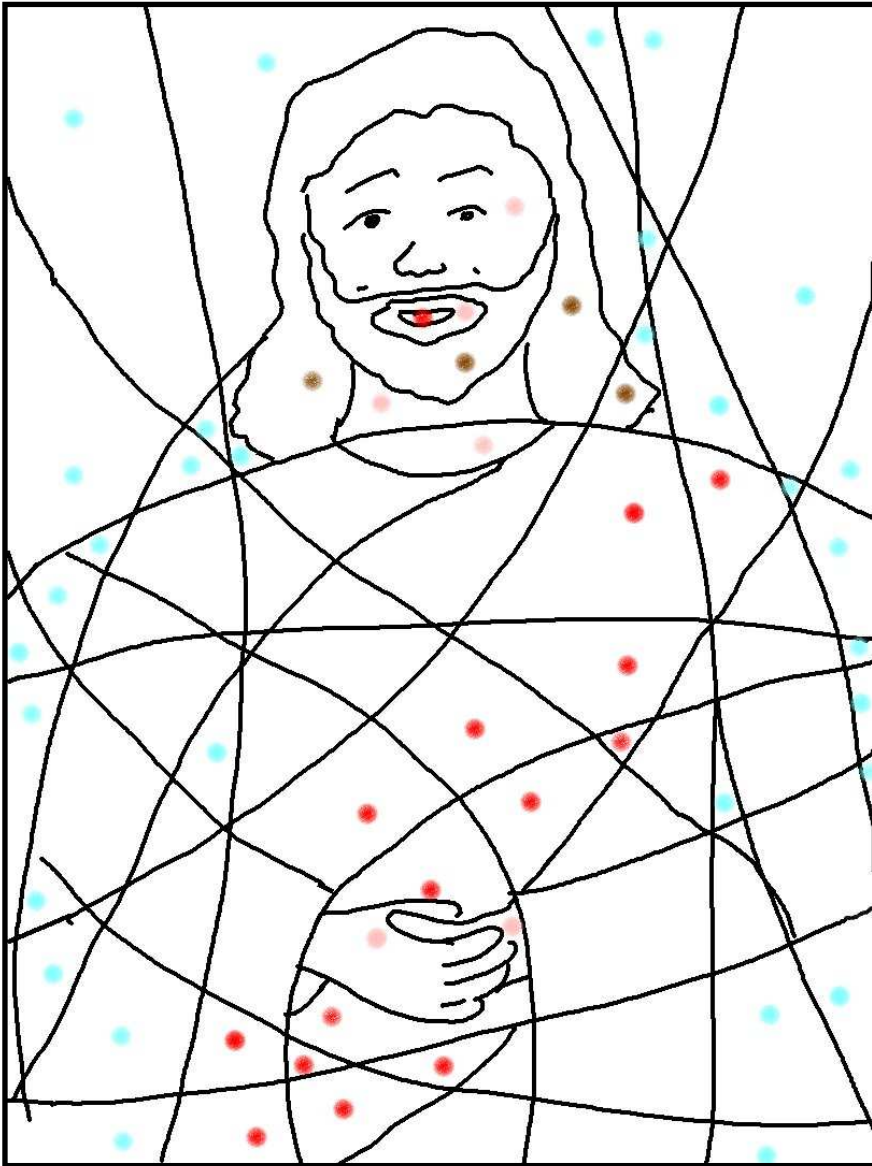

### Friday

Jesus wants you to love other people just like He did. Here are some people that you can show Jesus' love to. Colour them in.

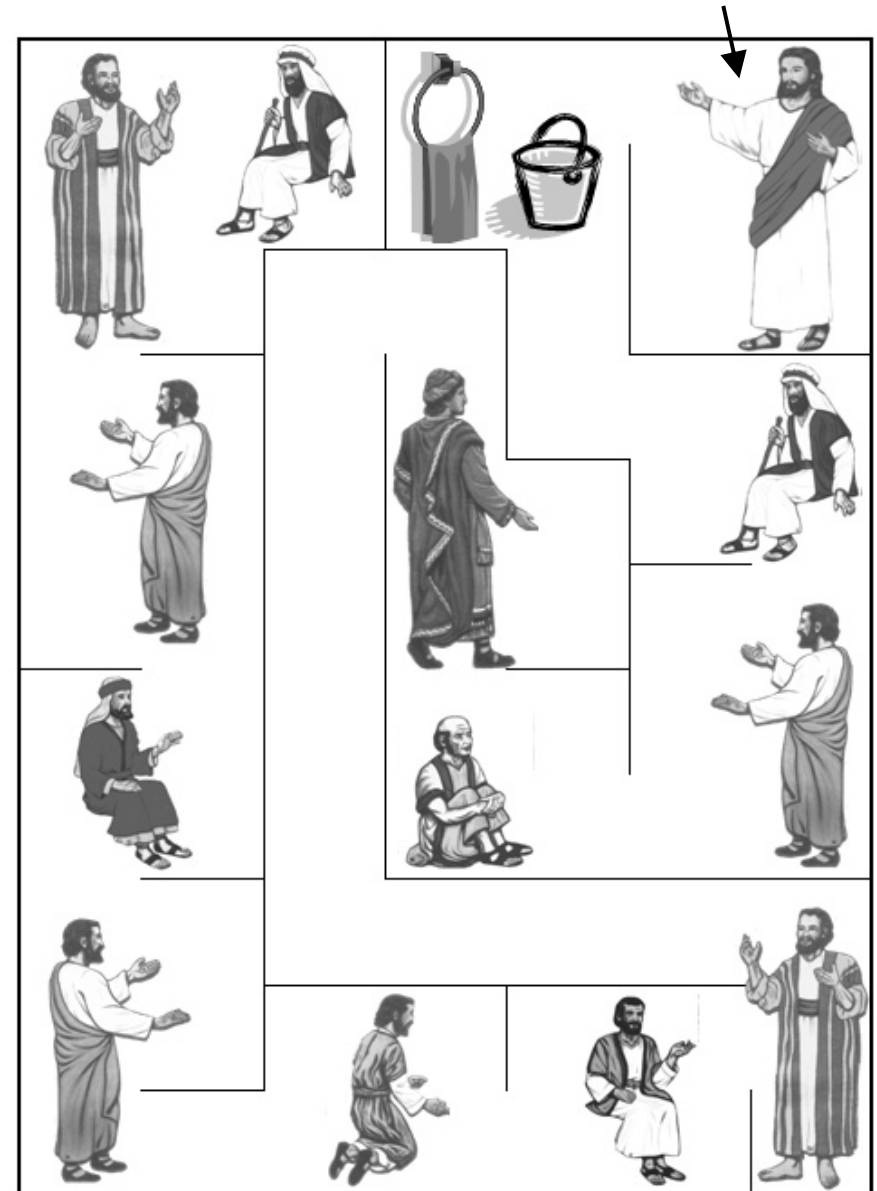

### Thursday

When we see the Grape Juice and the special Passover bread we should remember Jesus.

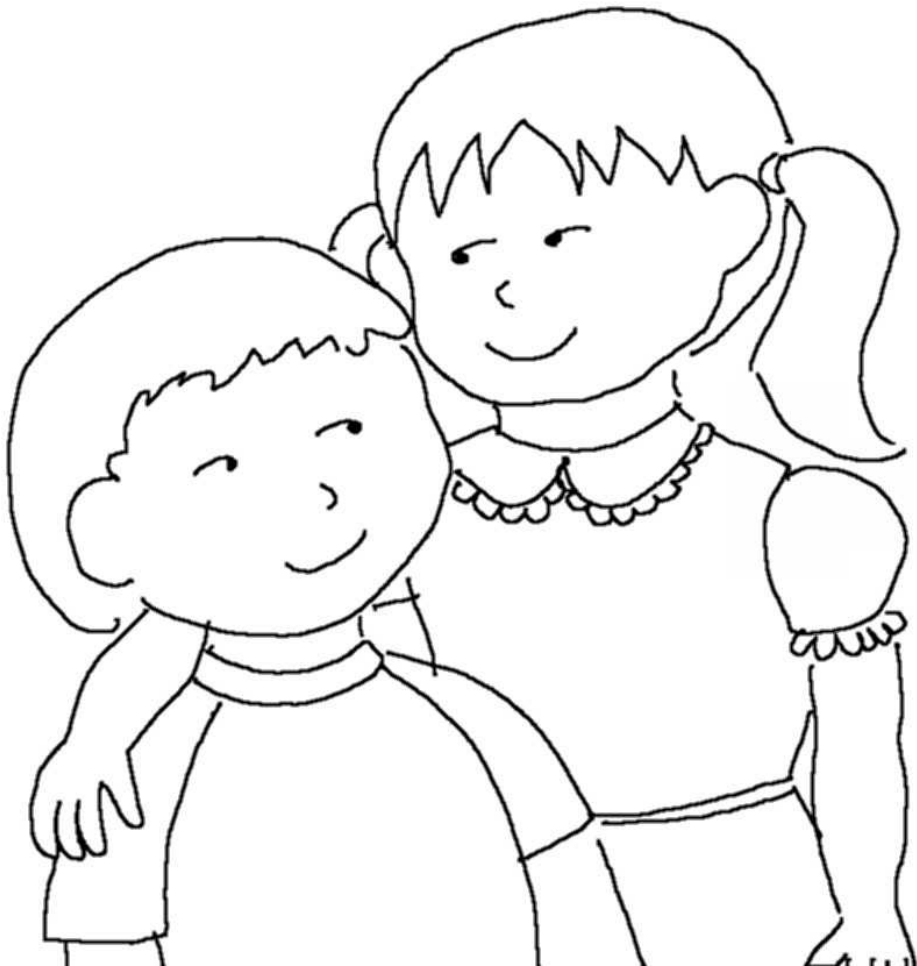

### Monday

Jesus washed all of the disciple's feet; follow Jesus path.

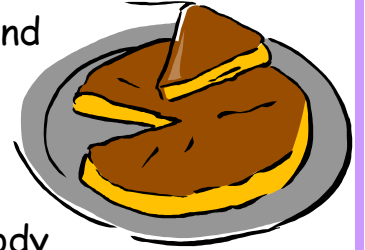

## Tuesday

Jesus washed the disciple's feet because He loved them. He wants you to love other people too.

## Wednesday

Then Jesus took some of the flat, unleavened Passover bread and blessed it. He broke it into pieces and gave it to His disciples and said to them, "As you eat this remember My body that will die for you."

Jesus took a cup of grape juice and thanked God for it. He passed them the cup to have a drink from and said, "Remember my blood which will be poured out on the cross to forgive sins."

Then Jesus said, "I will not drink grape juice again until I can drink with you in heaven."

Have you watched the big people in church, eating the flat Passover bread and drinking little cups of grape juice to remind them that Jesus died on the cross for their sins?
